TOBONTO, ONT.

DIRECTED BY THE CHRISTIAN BROTHERS This thoroughly Commercial Establishment is un der the distinguished patronage of His Grace, the Archbishop, and the Rev. Clergy of the City.

Having long felt the necessity of a Boarding School in the city, the Christian Brothers have been untiring in their efforts to procure a favorable site whereon to build; they have now the satisfaction to inform their patrons and the public that such a place has been selected, combining advantages rarely met with.

The Institution, hitherto known as the "Bank of Upper Canada," has been purchased with this view and is fitted up in a style which cannot fail to render it a favorite resort to students. The spacious building of the Bank-now adapted to educational purposes-the ample and well-devised play grounds and the ever-refreshing breezes from great Ontario all concur in making "De La Salle Institute" whatever its directors could claim for it, or any of its patrons desire.

The Class-rooms, study-halls, dormitory and refectory, are on a scale equal to any in the country. With greater facilities than heretofore, the Christian Brothers will now be better able to promote the

physical, moral and intellectual .development of th students committed to their care The system of government is mild and paternal, yet firm in enforcing the observance of established

discipline. No student will be retained whose manners and merals are not satisfactory: students of all denominations are admitted.

A MOST REMARKABLE CURE.

A MOST REMARKABLE CURE.

PHILADRIPHIA, June 28th, 1567.

SETH HANCE, Baltimore, Md. — Dear Sir: Seeing your advertisement, I was induced to try your Epileptic Pills. I was attacked with Epilepsy in July, 1863. Immediately my physician was summoned, but he could give me no relief. I then consulted another physician, but I seemed to grow worse. I then tried the treatment of another, but without any good effect. I sgalar returned to my family physician; was cupped and bied several different times. I was generally attacked without any promonitory symptoms. I had from two to five fits a day, at intervals of two weeks. I was often attacked in my sleep, and would fall wherever I would be, or whatever be occupied with and was severely injured several times from the fells. I was affected a my business, and I consider that your Epileptic Pills cured me. In February, 1863. I commenced to use your Pills, and only had two attacks after wards. The last one was April 5th, 1853, and they were a less serious churacter. With the blessing of Providence your medicine was made the instrument by which I was cured of that distressing affliction. I think that the Pills and their good effects should be made known everywhere, that persons who are similarly affected may have the benefit of them, Any person wishing further information can obtain it by calling at my residence, No. Sie North Third St., Philadelphia, Pa.

GRENADA, Miss., June 30.—SETH S, HANCE.—Dear Sir: You will find enclosed five dollars, which I send you because two boxes of your Epileptic Pills. I was the first person who tried your Pills in this part of the country. My son was badly afflicted with fits for two years. I wrote to and received two boxes of your Pills, which he took according to directions. He has never had a fit shace. It was by my persunsion that Mr. Lyon tried your Pills. His case was a very bad one; he had fits nearly all his life. Persons have written to me from Alibama and Tonnessee on the subject, for the purpose of accreting mig my opinion in regard to your Pills. I have all way recommended them, and in no instance where I have had a chance of hearing from their effect have they failed to cure. Yours, etc., C. H. Guy.

MONTHOMENT, Texas, June 22th, 187.

To Seth S. Hance:—A person in my cupicly had been afflicted with Fits, or Epilepsy, for thirteen years; he had these attacks at intervals of two to four weeks and oftentimes several in quick succession, sometimes continuing for two or three days. On several occasions they lead out il his mind appeared totally deranged, in which state he would continue for a day or two after the fits cented I tried several remedies prescribed by our resident playsicians, but without success. Having seen your advertisement concluded to try your remedy. I obtained two boxes of your Pills, gave them according to directions, and they effected a permanent cure. The person is how a stout, healthy man, about 30 years of age, and has not had a fit since he commenced taking your medicine, tengens since. He was my principal wagoner, and has since that time, been exposed to the severest of vention. I have great confidence in your remedy, and would be every one who has fits to give it a trial.

SETAS, HANCE, Baltimore, Md.—Dear Sir. I take great pleasure in relating a case of Spassus, or Fits, curved by your invaluable Fills. My brother, J. J. Ligon, head long been affilted with this awful discuse. Ho was first at tacked while quite young. He would have one or two spassus at one attack at first, but as he grew older they seemed to increase. Upto the time he commenced taking your Pills he had them very often and quite severe. Prostrating him, body and mind. His mind had suffered scriously, but now, I am happy to say, he is cured of those fits. He has enjoyed fine health for the last five month. His mind has also returned to its original brightness. Althis I take great pleasure in communicating, as it may be the means of directing others to the remody that will enothem. eases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood. This Sarsaparilla is a combination of vegetable alteratives — Stillingia, Mandrake, Yellow Dock — with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known

from internal ulceration, and Uterine disease, Syphilitic and Mercurial dis-

the diseases it is intended to cure. Its ingredients are so skilfully combined, that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease.

The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it, prove their experience of its usefulness.

Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known, that we need do no more than to assure the public that the best qualities it has ever possessed are strictly maintained.
