half less than those of other Companies with all de-
sirable security to parties insured. The sole object
of this Company is to bring down the Cost of Insur-
ance on properties to the lowest rates possible, for
the interest of the whole community. The citizens
should therefore encourage liberally this flourishing

MURRAY & LANMAN'S
FLORIDA WATER.

The most exquisite and delightful of all perfumes, contains in its slightest degree of excellence the aroma of flowers, in full natural freshness. As a safe and speedy relief for Headache, Nervousness, Debility, Fainting turns, and the ordinary forms of Hysteria, it is unsurpassed. It is, moreover, when diluted with water, the very best dentifrice, imparting to the teeth that clear, pearly appearance, which all ladies so much desire. As a remedy for foul, or bad breath, it is, when diluted, most excellent, neutralizing all impure matter around the teeth and gums, and making the latter hard, and of a beautiful color. With the very elite of fashion it has, for

a quarter of a century, maintained its ascendancy over all other Perfumes, throughout the W. Indies, Mexico, Central and South America, &c., &c., and we confidently recommend it as an article which, for its delicate flavor, richness of bouquet, and permanency, has no equal. It will also remove from the skin roughness, blotches, Sunburn, Freckles, and Pimples. It should always be reduced with pure water, before applying, except for Pimples.—As a means of imparting rosininess and clearness to a sallow complexion, it is without a rival. Of course, this refers only to the Florida Water of Murray & Lanman.

From the HON. THOMAS B. FLORENCE.
From the HON. THOMAS B. FLORENCE.
Washington, Jan. 1st, 1864.

Gentlemen—Having stated it verbally to you, I
have no hesitation in writing the fact, that I expe-
rienced marked benefit from your Hoofland German
Bitters. During a long and tedious session of Con-
gress, pressing and onerous duties nearly prostrated
me. A kind friend suggested the use of the prepara-
tion I have named. I took his advice, and the
result was improvement of health, renewed energy,
and that particular relief so much needed and ob-
tained. Others may be similarly advantaged if they
desire to be.—Truly your friend,
THOMAS B. FLORENCE.

From the Rev Thos. Winter, D.D., Pastor of Rox-
borough Baptist Church.

Dr. Jackson—Dear Sir: I feel it due to your ex-
cellent preparation, Hoofland's German Bitters, to
add my testimony to the deserved reputation it has
obtained. I have for years, at times, been troubled
with great disorder in my head and nervous system.
I was advised by a friend to try a bottle of your Ger-
man Bitters, I did so, and have experienced great and
unexpected relief; my health has been very materi-
ally benefited. I confidently recommend the arti-
cle where I meet with cases similar to my own, and
have been assured by many of their good effects.—
Respectfully yours,
T. WINTER, Roxborough, Pa.

From Rev. J. S. Herman, of the German Reformed
Church, Rutznov, Berks County, Pa.

Dr. C. Jackson—Respected Sir: I have been trou-
bled with Dyspepsia nearly twenty years, and have
never used any medicine that did me as much good
as Hoofland's Bitters. I am very much improved in
health, after having taken five bottles.—Yours, with
respect,
J. S. HERMAN.

From Julius Lee, Esq., firm of Lee & Walker, the
most extensive Music Publishers in the United States,
No. 722 Chesnut street, Philadelphia:

February 8th, 1864.
Messrs. Jones & Evans—Gentlemen—My mother-
in-law has been so greatly benefited by your Hoof-
land's German Bitters that I concluded to try it my-
self. I find it to be an invaluable tonic, and unex-
pectingly recommend it to all who are suffering from
dyspepsia. I have had that disease in its most obste-
inate form—flatulency—for many years, and your
Bitters has given me ease when every thing else had
failed.—Yours truly,
JULIUS LEE.

From the Hon. JACOB BROOM:
Philadelphia, Oct. 7th, 1863.
Gentlemen: In reply to your inquiry as to the
effect produced by the use of Hoofland's German
Bitters, in my family, I have no hesitation in saying
that it has been highly beneficial. In one instance,
a case of dyspepsia of thirteen years' standing, and
which had become very distressing, the use of one
bottle gave decided relief, the second effecting a
cure, and the third, it seems, has confirmed the cure,
for there has been no symptoms of its return for the
last six years. In my individual use of it, I find it to
be an unequalled tonic, and sincerely recommend its
use to the sufferers.—Truly yours,
JACOB BROOM, 1707 Spruce Street.

"THE LAMP,"
New and Improved Series, in Monthly parts, price
9d. Yearly, \$1.75. The Lamp is 1865.

It is little more than two years ago since the New
Series of the Lamp commenced. The great increase
in its circulation has been the most convincing proof
that satisfaction has been given by the improvements
effected in the periodical. It has been the happiness
of the Conductor of this Magazine to receive the be-
nediction of the Holy Father on the undertaking. A
distinguished Prelate wrote from Rome as follows to
the Proprietor of the Lamp: "I have presented the
Lamp to the Holy Father. He was much pleased,
and directed me to send you his blessing, that you
and all your works may prosper." We have also
had the assurance of the satisfaction of his Eminence
the late Cardinal Wiseman, in whose archdiocese the
Lamp is published, and whose kind assistance to the
undertaking has been evinced several times by the
contributions from his pen which are to be found in
our columns. We are authorized to say that "His
Eminence has been much pleased with the progress
of the Lamp, and the position it has taken."

Encouraged, therefore, by the blessing of the Vicar
of Christ, which is never unfruitful, and the approval
of his Eminence, the Conductor of the Lamp looks
confidently for increased support from the Catholic
public. Much has been done to improve the Lamp;
much remains to be done; and it rests chiefly with
Catholics themselves to effect the improvement. Our
advertisers, and even we ourselves, often point to
the well-known Protestant publications, and ask
why Catholics cannot have something as good in
point of material, ability, illustrations, &c. Nothing
is more easy. If every Catholic who feels this, and
who desires to see a Catholic Magazine equal to a
Protestant one, will take in the former for a year,
there is at least a good chance of his wishes being
realized. If every priest would speak of the under-
taking in his parish once a year, and encourage his
people to buy the Lamp instead of the various cheap
publications too rapidly making their way among
our youth, and our poor—publications which can
hardly be called Protestant, because they have no
religion, and often openly teach immorality—the
success of the Catholic Magazine would be assured.
It is its immense circulation, and the support they
obtain from their respective political or religious
parties, which enables these journals to hold their
ground; and unless Catholics will give their hearty
and cordial support to their own periodicals in a simi-
lar manner, it is impossible for them to attain supe-
riority.

THE LAMP has now the largest Circulation of any
Catholic Periodical in the English language. It
contains this week a New Story of great interest,
and other articles of sterling merit, with illustrations
by the first Artists of the day.

Price—Yearly, \$1.75. In Monthly parts, 9d.

BOARDING SCHOOL FOR YOUNG LADIES,
HELD BY
THE GREY SISTERS,
CONVENT OF OTTAWA.
UNDER THE PATRONAGE OF HIS LORDSHIP
THE RT. REV. DR. GUIGUES.

THIS Institution, established some Twenty years
ago, is well calculated by its position between Upper
and Lower Canada, to afford the greatest facilities to
French and English Young Ladies, for acquiring a
complete knowledge of the French and English lan-
guages.
Nothing has been neglected that could contribute
to attain this double end; and the ample and nonor-
able testimony constantly rendered, proves the effort
to have been successful.

Among many means employed to develop the in-
tellect and cultivate a literary taste, are a well re-
gulated Post Office and a Weekly Newspaper, edited
exclusively by the young Ladies.

In the Commercial course a practical emulation is
excited by a Bank and Commercial Rooms, in which
business is transacted in both languages.

It is a particular point of the rule that some of
the recreations of the day are, each alternate week,
strictly French, or entirely English, for those who
are capable of speaking both languages.

Those who study Music will find everything that
could secure them rapid and brilliant success; for
this, it suffices to say that no fewer than Six Teach-
ers are devoted to this Department, which embraces
the Harp, Piano, Guitar, Melodeon, Organ, &c.

A similar number of Mistresses preside over the
different kinds of Painting in Oil, Pastille, Poonah
Painting, and the different kinds of drawings, Em-
broidery, Wax Work, Artificial Flowers, &c. The
Ornamental is not permitted to supersede the use-
ful; for all the pupils are obliged to learn the theory
and practice of Domestic Economy.

No distinction of Religion is made in the admis-
sion of Pupils. Children of different denominations,
though obliged to conform strictly to the order of
the House, are not required to assist at the Religious
exercises of the community.

Circulars containing particulars can be obtained
by addressing the Lady Superior.

The Classes will re-open on the First September.
