

THE GREAT MEDICAL WANT SUPPLIED.—Ask any medical man what has been the great desideratum in the practice of physic for centuries? He will answer, purgation without pain or nausea; without subsequent constipation; without detriment to the strength of the patient. Inquire of any individual who has ever tried BRISTOL'S SUGAR COATED PILLS, if they do not accomplish this object. Of the multitudes that have used them, not one will answer no. The family testimony to their efficacy is the strongest ever adduced in favor of any cathartic. Upon the liver their effect is as salutary as it is surprising. In fever and ague and bilious remittent fever they work such a beneficial change in a brief period, as can only be realized by those who have experienced or witnessed it. No man, woman, or child, need suffer long from any derangement of the stomach, liver, or bowels, in any part of the world where this sovereign curative is obtainable. They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

J. F. Henry & Co. Montreal, General agents for Canada. For sale in Montreal by Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, H. R. Gray, J. Goulden, R. S. Latham, and all dealers in Medicine.

IMPERISHABLE FRAGRANCE.—As among the opera airs of the great composers there are some which the public taste instinctively prefers, so among perfumes there are grades of excellence from which the world chooses the rarest and the best. In the United States, the West Indies, Canada, South and Central America, etc., this choice has long since been made. MURRAY & LANMAN'S FLORIDA WATER has no rival among the perfumes of the Western Hemisphere. The once celebrated European toilet waters are scarcely salable in any market where this refreshing, healthful, and almost indestructible perfume is procurable. Besides its unrivalled merits as a floral fumigant, it is, when intermixed with water, a fine preservative dentifrice. Purchasers are requested to see that the words "Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine.

Agents for Montreal:—Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, H. R. Gray, J. Goulden, R. S. Latham, and all Dealers in Medicine.

A DOWN TOWN MERCHANT, Having passed several sleepless nights, disturbed by the agonies and cries of a suffering child, and becoming convinced that Mrs. Winslow's Soothing Syrup was just the article needed, procured a supply for the child. On reaching home, and acquainting his wife with what he had done, she refused to have it administered to the child, as she was strongly in favor of Homoeopathy. That night the child passed in suffering, and the parents without sleep. Returning home the day following, the father found the baby still worse; and while contemplating another sleepless night, the mother stepped from the room to attend to some domestic duties, and left the father with the child. During her absence he administered a portion of the Soothing Syrup to the baby, and said nothing. That night all hands slept well, and the little fellow awoke in the morning bright and happy. The mother was delighted with the sudden and wonderful change, and although at first offended at the deception practised upon her, has continued to use the Syrup, and suffering, crying babies and restless nights have disappeared. A single trial of the Syrup never yet failed to relieve the baby, and overcome the prejudices of the mother. Sold by all Druggists. 25 cents a bottle. September, 1866.

S. T.—1860.—X.—The amount of Plantation Bitters sold in one year is something startling.—They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake patented all the rocks in the Eastern States with his cabalistic "S. T.—1860.—X." and then got the old grumpy legislators to pass a law "preventing distinguishing the face of nature," which gives him a monopoly. We do not know how this is, but we do know the Plantation Bitters sell as no other article ever did. They are used by all classes of the community, and are death on Dyspepsia—certain. They are very invigorating when languid and weak, and a great appetizer.

SARATOGA SPRING WATER, sold by all Druggists.

WEAR DID I!—A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a rustic, bushy face, she had a soft, ruby complexion, of almost marble smoothness; and instead of 22, she really appeared but 17. She told them plainly she used Hagan's Magnolia Balm, and would not be without it. Any lady can improve her personal appearance very much by using this article. It can be ordered of any druggist for fifty cents.

SARATOGA SPRING WATER, sold by all Druggists.
