THE MONTREAL TEA COMPANY.

The Whole Dominion should buy their Teas of the Importers, THE MONTREAL TEA COMPANY, 6 Hospital Street, Montreal.

Our Teas, after the most severe tests by the best medical authorities and judges of Tea, have been pronounced to be quite pure and free from any artificial coloring or poisonous substances so often used to improve the appearance of Tea. They are unequalled for strength and flavour. They have been chosen for their intrinsic worth, keeping in mind health, economy, and a high degree of pleasure in drinking them. We sell for the smallest possible profits, effecting a saving to the consumer of 15c to 20c per lb. Our Teas are put up in 5, 12, 15, 20 and 25 lb boxes, and are warranted pure and free from poisonous substances. Orders for four 5 lb boxes, two 12 lb boxes, or one 20 or 25 lb box sent carriage free to any Railway Station in Canada. Tea will be forwarded immediately on the receipt of the order by mail containing money, or the money can be collected on delivery by express-man, where there are express offices. In sending orders below the amount of \$10, to save expense it would be better to send money with the order. Where a 25 lb box would be too much, four families clubbing together could send for four 5 lb boxes, or two 12 lb boxes. We send them to one address carriage paid, and mark each box plainly, so that each party get their own Tea. We warrant all the Tea we sell to give entire satisfaction. If they are not satisfactory they can be returned at our expense.

A YEAR'S TRIAL. Montreal, 1868.

The Montreal Tea Company: GENTS.—It is nearly a year since I purchased the first chest of Tea from your house. I have purchased many since, and I am pleased to inform you the Tea has in every case proved most satisfactory, as well as being exceedingly cheap. Yours very truly, F. DENNIE.

Montreal Tea Co: GENTLEMEN.—The Tea I purchased of you in March has given great satisfaction, and the flavor of it is very fine. It is very strange, but since I have been drinking your Tea I have been quite free from heart-burn, which would always pain me after breakfast. I attribute this to the purity of your Tea, and shall continue a customer. Yours respectfully, FRANCIS T. GREENE, 54 St. John Street, Montreal.

Montreal, April, 1868.—To the Montreal Tea Company, 6 Hospital Street, Montreal: We notice with pleasure the large amount of Tea that we have forwarded for you to different parts of the Dominion, and we are glad to find your business so rapidly increasing. We presume your teas are giving general satisfaction, as out of the large amount forwarded we have only had occasion to return one box which we understand, was sent out through a mistake.

G. CHENEY, Manager Canadian Express Company, House of Senate, Ottawa.

Montreal Tea Company: GENTLEMEN.—The box of English Breakfast and Young Hyson Tea which you sent me gives great satisfaction. You may expect my future order. Yours, &c., S SKINNER.

Beware of pedlars and runners using our name, or offering our Teas in small packages. Nothing less than a cattle load. Note the address.— THE MONTREAL TEA COMPANY, 6 Hospital Street, Montreal July 24th 1868.

Ayer's Cathartic Pills, For all the purposes of a Laxative Medicine. Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative. The obvious reason is, that it is more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have, and can show, thousands upon thousands of certificates of remarkable cures of the following complaints, but such cures are known in every neighborhood, and why should we publish them? Adapted to all ages and conditions in all climates; containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use and they are perfectly safe. They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the system, restoring their regular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease. Minute directions are given in the wrapper on the box, for the following complaints, which these Pills gently cure:—

For Dyspepsia or Indigestion, Flatulency, Langor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy and regular action. For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fever, they should be taken freely for each case, to correct the diseased action or remove the obstructions which cause it. For Dysentery or Diarrhoea, but one mild dose is generally required. For Rheumatism, Gout, Gravel, Palpitation of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear. For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge. For Suppression a large dose should be taken as it produces the desired effect by sympathy. As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better from their cleansing and renovating effect on the digestive apparatus. There are numerous cases where a purgative is required, which we cannot enumerate here, but they suggest themselves to every body, and where the virtues of the Pills are known, the public no longer doubt what to employ.

Ayer's Cherry Pectoral, For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption. Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Croup, it should be kept on hand in every family, and indeed as all should be provided with this antidote for them. Although settled Consumption is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it, when faithfully used, and the patient under the Cherry Pectoral they subside and disappear. Singers and Public Speakers find great protection from it. Asthma is always relieved and often wholly cured by it. Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses. So generally are its virtues known that it is unnecessary to publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.
