We were asked by a prospective customer if we turned out real artistic work.

Yes!

was our emphatic reply. He since gave us an order and is highly pleased with the advance proof. It is true that a great bulk of our trade is done for old-fashioned conservative concerns that will not permit any flourishes, but want everything plain and good; but if anyone desires a catalogue or booklet or circular, or anything printed in a dainty, artistic, and at the same time sensible manner, we can do it. The best test is to send us a trial order.
