HOT WATER HEATING.

RECENT TESTIMONIAL.

Messrs. The E. & C. Gurney Co., Winnipeg:

DEAR SIRS,—I have used your No. 25 Hot Water Heater in my house last winter, and I am pleased to say that I consider it a success. We have had three months of very severe weather, the mercury hovering around the thirties during most of that time.

The Heater combines simplicity with efficiency to a large degree, and the arrangements were such that the very best results are obtained from the fuel consumed. I have no hesitation in recommending your Heater as one well suited for this country.

Yours, etc.,

ARCH. McNEE.
