

*The turning point* in woman's life brings peculiar weaknesses and ailments. Dr. Pierce's Favorite Prescription brings relief and cure. It is a powerful, invigorating, restorative tonic and nervine. It imparts strength to the whole system in general, and to the uterine organs and appendages in particular. "Run-down," debilitated and delicate women need it. It's a legitimate medicine—purely vegetable, perfectly harmless. It's guaranteed to give satisfaction in every case, or money refunded. Nothing else does as much. You only pay for the good you get. Can you ask more?

As a regulator and promoter of functional action, at that critical period of change from girlhood to womanhood, "Favorite Prescription" is a perfectly safe remedial agent, and can produce only good results. It is equally efficacious and valuable in its effects when taken for those disorders and derangements incident to that later and most critical period, known as "The Change of Life."
