Charge: Tariff No. 352 - \$34.50
Tariff No. 190 - \$40.23 bi-yearly

The Pacific Inland Tariff Bureau provides information with regard to local, joint, and proportional class and commodity rates for motor carriers operating between points in Canada and points in Idaho, Montana, Oregon and Washington. Further information on participating motor carrier members within the specified tariff can be obtained by subscribing to tariff no. 190 which is published every six months.

- Rocky Mountain Motor Tariff Bureau tel: (303)433-6731
P.O. Box 5746
Denver, Colorado 80217
Charge: Tariff no. 583 - \$76.69
Tariff no. 170 - \$78.66

Information on maximum tariff rates by commodity and origin/destination in British Columbia is published by the Rocky Mountain Motor Tariff Bureau in text and computer diskette versions. The computer diskette version or tariff number 583 is IBM PC/most compatible. Tariff number 170, a similar version of number 583, is published in printed form and provides a members list of motor carriers participating within the tariff bureau.
