

ACKNOWLEDGEMENTS

This report was prepared by Mr. Tom Samek of The Zimmar Consulting Partnership under the direction of Raymond Chabot International Inc. (RCI), Bureau d'Informations et de Prévisions Économiques (BIPE) and Informetrica Ltd. for External Affairs and International Trade Canada.

We wish to acknowledge the co-operation of those companies and industry associations that were approached in the course of conducting background research for this report: Abitibi-Price Inc., Bureau de Promotion des Industries du Bois (BPIB), Canadian Forest Products (CANFOR) Ltd., Council of Forest Industries of British Columbia (COFI), Canadian Pulp and Paper Association (CPPA), Domtar Inc., Finnish Trade Commission, Finpap, Kruger Inc., Quebec Lumber Manufacturers' Association, and Scierie des Outardes Enr. We particularly want to thank BPIB, COFI and the CPPA for their comments and suggestions.

Mr. Roger Hill of Hill Sloan Associates Inc. played a major role in shaping the final report. Valuable assistance was provided throughout by the Institute for Research in Construction of the National Research Council, by the forest products directorate of Industry, Science and Technology Canada, and by the Brussels, London and Ottawa offices of External Affairs and International Trade Canada.

The opinions expressed in this report are those of the authors and do not necessarily represent the past or current policy of the Government of Canada.
