

ARTICLE 6

There shall be a Mixed Commission equally composed of representatives of the Contracting Parties to supervise and review the working of this Agreement and to make any proposals considered necessary for any modification of this Agreement. Its meetings shall be held alternately in Australia and in Canada. The Commission shall meet eighteen months after the date of signing this Agreement, and thereafter within six months of a request to meet being made by either Contracting Party.

ARTICLE 7

Each of the Contracting Parties shall notify the other of the completion of any procedure required by its laws for giving effect to this Agreement, which shall enter into force from the date of receipt of the later of these notifications.

ARTICLE 8

This Agreement shall remain in force initially for a period of three years from the date of its entry into force. Either Contracting Party wishing to terminate it shall give written notice to terminate to the other six months before the end of that period and the Agreement shall then terminate at the end of the three years. If no such notice is given the Agreement shall automatically remain in force for successive periods each of three years, unless written notice to terminate is given by either Contracting Party at least six months before the end of any period of three years, in which case it shall terminate at the end of that period.
