Sir Arthur W. Currie, G.C.M.G.,  
McGill University,  
Montreal.

Dear Sir,

I have pleasure in sending herewith two copies of the July issue of this Journal containing an article on McGill University, for which you were kind enough to supply the necessary material.

I also return herewith the various photographs which you were good enough to send.

Might I whilst in communication with you ask that you will arrange to see that I receive a new copy of the McGill Calendar giving information about courses and fees? The one we have on file here is very out of date.

Yours faithfully,

*The Editor*
