RUSSIAN.

RUSSIAN. "The march of our advance guards in the direction of Erzerum is ended. This march was not in consequence of any attack, but the part of a plan which had been laid out for our advance guards. In this same direction one of our columns engaged in a combat near Buzveran, which they threw back. Another of our columns engaged in a combat near Buzveran, which was to our advantage. "The movement of the Ottoman troops in the Oltytchail Valley is reported, Four Kurd regiments which were concentrated near Dajar have been dispersed by our cavance guards. In this same direction one of our columns advantage. "The movement of the Ottoman troops in the Oltytchail Valley is reported, Four Kurd regiments which were concentrated near Dajar have been dispersed by four cavance guards dielodged the Kurds from the Village of Tchabanagak, south of the ridge of Tapariz. At Azesbeidjan there is no change. "Upon the Black Sea littoral an attempted offensive movement of the Turks south of the ridge of Tapariz. At Azesbeidjan there is no change. "Upon the Black Sea littoral an attempted offensive movement of the Turks south of the ridge of Tapariz. At Azesbeidjan there is no change. "Upon the Black Sea littoral an attempted offensive movement of the Turks by our warships, the Turks sustained serious losses. Their reserves have been annihitated. "In East Prussia the enemy is falling back along the whole front between Gum-binnen and Angerburg, while continuing to hold the passages in the Mazurian Lakes. "On the front between the Visuia and Warks the Auser reached the Austrian rear guards in the region of Dukia and the passage of Ujok. "In the region of Batum (Transcaucasia), on the east coast of the Black Sea, fring continues, it taking the character of a great battle. "In the region of Batum (Transcaucasia), on the east coast of the Black Sea, fring continues throuch wov. 16. The efforts of the Turks to advance in the direction the direction the direction the direction the direction the direction the di

of Erzerum have been without success. "A band of Kurds have exchanged shots with our sappers in Azerbaijan (Persia), but the enemy were dispersed. "At the other points there is nothing to report."

GERMAN.

"Generally speaking, yesterday passed quietly in the western arena of the war. To the south of Verdun and to the northeast of Cirey, the French made several attacks, which, however, were unsuccessful. "Operations in the eastern arena made further favorable progress, but detailed reports are not yet at hand."

IN MILITARY AREA AUSTRIAN.

"In the southern war theatre our troops have advanced to the Kolubara River (Northwestern Servia), which already has been crossed at some points, tho the bridges were destroyed by the enemy. "In the Vallevo district where our army commanders have arrived order has been restored. The town has suffered much from the Servian soldiers, "Small cavalry detachments yesterday captured 200 prisoners."

KITCHENER JOINED

CHENER JOINED IN HIGH TRIBUTES which the field marshal will he, is the mausoleum of Great Britain's greatest soldier. The last soldier interred there whose funeral last March, Lord Roberts was a pallbearer.

Speeches Extolling Lord Roberts' Deeds. Toronto Knights of Pythias are

taking charge of the funeral of R. E. LONDON, Nov. 17.—(7.10 p.m.).—Lord Kitchener, Lord Curzon of Kedleston and

the Earl of Crewe, in the house of lords here on Sunday evening. Mr. Hay-At the conclusion of Mr. Cameron's fet justified in adding those items to didress the audience applauded with the list of absolute contraband. Every in the last of absolute contraband. Every is the list of absolute contraband. Every is address and I extend to you when your plendid address and I extend to you is in the taken to take the interfered with." Premier Asquith stated that the interfered with is in the whole nation. His middle of August last, since which is the interfered with itermediate that the interfered with is the interfered with is the interfered with is the interfered with is the interfered with."

fame will forever be associated with the time he had gradually failed.
