

Drake's "Swing" Shingle and Heading Machine

The "swing" or carriage frame is made of steel angle bars, light and strong—will take in blocks 16 inches wide. Set works are easily adjusted for thick or thin shingles or heading. Jointer may be driven from saw arbor if desired. Send for catalogue of saw mill and shingle mill machinery. Prices on application.

Good Shingle
Machine
in the market.**

Do You Need a Turbine?

Now is the best possible time for replacing your old, worn-out wheel with a new Turbine that will save Worry, save Time, and make Money for you. If you want a well built wheel, a wheel that will give you steady reliable power every day, a wheel that will save water, a wheel that will last you a lifetime, and that is sold at a reasonable price, then write us for catalogue and prices on the

Standard Leffel and Vulcan Turbines.

They are better developers to-day than ever before, and are growing in popularity, as our order books show.

We have now for distribution our new **SAW and SHINGLE MILL MACHINERY CATALOGUES**, with engravings and descriptions of our machines with their latest improvements. We will be glad to send you one on receipt of your address. You cannot buy a better Portable Mill than the "Lane Improved".
