**Sovereign Grease**

ST. CATHARINES, July 20th, 1889.

To whom it may concern:—  
I have been using SOVEREIGN GREASE for the past two months, and I can say that it has given me entire satisfaction, and is a saving of 60 per cent. over Oil, and is that much better than Oil. I have been running eight (8) trips from St. Catharines to Montreal and return on 40 lbs. GREASE, and using it on my crank-pin as well as all other bearings. Yours respectfully,  
(Signed,) SAM BRISHIN,  
Engineer "Ocean."

OTTAWA, Aug. 5th, 1889.

THE STOCK OIL & GREASE CO.  
GENTS.—We have used the SOVEREIGN GREASE for some time, and do not hesitate to pronounce it a first-class lubricator, and as such has given us entire satisfaction as to its durability and cheapness.

Truly yours,  
ARTHUR JONES,

**EPPS'S COCOA.**

BREAKFAST,

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of the well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually fed up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.

Made simply with boiling water or milk. Sold only in packets, by Grocers, labelled thus:
