

ELECTORS OF RICHMOND COUNTY!

The question before you is, whether you will vote for "By-law No. 16," passed by the County Council in the interests of the Rumsellers, or will you vote against it?

This By-Law No. 16, is made to repeal the Dunkin Act, and let loose upon us once more the liquor traffic, with all the ruin and misery that follows in its wake.

Every man who has himself suffered, or who has a father, son, brother or friend, who has suffered, or is likely to suffer from a renewal of this terrible traffic, we most earnestly call on to come and help us roll up such a vote against this By-Law No. 16, as will forever shut the mouths and shops of those who wish to deal out death among us; and show them the utter uselessness of ever again trying to get a legal right to sell this poison.

MEN OF RICHMOND VILLAGE! You who are bearding the lion in his den,—hold on, fight on, for brave hearts and willing hands are coming to the rescue.

MEN OF MELBOURNE VILLAGE! Help us wipe off the reproach caused by those who have declared that the Dunkin Act is the greatest curse in the community!

BROMPTON AND WINDSOR MILLS! Led by your earnest, true-hearted Mayors, haste to the polls on TUESDAY MORNING, and help to vote down, out of sight, the infamous By-Law No. 16.

CLEVELAND, WINDSOR AND STOKE! You too, in common with us, are in peril from this foe of God and man. Leader or no leader, come like men to the rescue!

ST. GEORGE DE WINDSOR! God has given you a noble leader: follow in this and all other good things where he leads!

DANVILLE AND SHIPTON! Once together, and still united in every good work, come once more, and come more than ever, to the rescue!

**"RALLY ROUND THE TEMPERANCE FLAG BOYS, RALLY
ONCE AGAIN!"**

ONCE MORE, MEN OF RICHMOND COUNTY, You who are men, come early in the morning on

TUESDAY NEXT,

to the polls, and when you vote, if you love your wives and families, your friends and your GOD, vote **NO!** to this By-Law No. 16, which would again open the Rum Shops.

GOD SPEED THE RIGHT!
