FIRST JUNIOR GAME FOR O.H.A. HONORS

Barrie and De La Salle Tonight — Crawford and Adams in Cup Games.

Another hockey game brimful of spectacular and thrilling plays is carded for tonight at the Mutual Street Arena, when De La Salle Juniors clash with Barrie in the first of home-and-home games in the O.H.A. junior finals. They will play a return game at Barrie on Tuesday next.

Captain Gordon Meeking and his Barrie Colts have been in the city for the past two days and have been holding daily workouts at the arena in preparation for the game. The Barrie team are the strongest sextet that the green shirts have met this season. Both teams will be at full strength and held their final practice last night in preparation for the crucial game. The game will start at 8.30 sharp.

Commenting on the Kitchener-Ypres game, The Winnipeg Telegram says: "A wonderful comeback on the part of the Ontario champions, despite the fact that the game was played under Manitoba rules, coupled with the fact that the Ypres were playing far below usual form, partly due to the injury of Alex. Irwin's knee, took all the wind out of the west-erners' sails, and the unexpected happened, to the frantic delight of a rink packed to the roof with frenzied rosters. It was a wonderful and delicious game, brilliantly fast, with both teams playing the game of their lives and it was just a case of the better team winning, for the Kitchener seven had just a sufficient edge on the play to merit their three-goal margin."

The Manitoba Free Press says: "The west-erners are forced to go back home empty-handed, but not without giving Toronto hockey fans a dazzling display of all-round hockey which will not be forgotten for a long time. The Pagers put up a battle worthy of any western team."

SINCE our gallant First Contingent sailed to join the "Old Contemptibles" in Flanders, Canada has answered every call for "more men". Her latest and perhaps most timely response is the new "Selected Army"—men worthy to reinforce the Divisions that upset precedent and astonished military Europe.

A few weeks in Khaki in touch with our seasoned battalions Overseas, and the men of this new army will develop into the same "Fighting Sons o' Guns" of whom George Pattullo wrote admiringly in the Saturday Evening Post:

"The Canadians at the Front shave every day. Let that sink in. Right up there in the trenches—often ankle deep in mud, sleeping in funk holes, each man cooking his own meals, fighting lice and rats and Bosches, with everything combined to break down habits of cleanliness—they rigidly observe the rule for smooth faces and chins. Of all I saw, that hit me hardest, because it meant so much."

The shaving equipment issued to your boy or your friend in our Canadian Army must be on a par with his fighting equipment and clothing! Ask him, and from his answer judge how much he would appreciate a Gillette Safety Razor—the razor that has made good so emphatically that over a million have already been sold for troops from this side of the Atlantic.

See that he has a real military razor set—the Gillette Khaki Combination (No. 18), the Khaki Soft Roll (No. 19), or the new Canadian Service Set (No. 20). It's a send-off worth while!

Ask your Dealer to show you the new Gillette Military Sets!
