ALWAYS IN DEBT
ALTHOUGH it is my policy to pay pretty much as I go, nevertheless I find it almost impossible to keep out of debt. I SAY TO MYSELF, "Now I'll just send out a check for everything I have bills for, and for all cars belonging to other people that have been sold." When I find myself in good condition, I have sold, of course it's up to me to send a check.

CANARY RECALL the exact amount of cars sold for other people and send me a check at once, but somehow just when I think I am through for a day or so out goes another bunch.

I SUPPOSE it will ever be thus as long as people are bringing their cars in and other keep on buying them.
