WILL TELL "ALL HE KNOWS"

If Head of New York Life Does So He Should Prove a Sensation - The Effect \$100,000 Had on Insurance Bills a

New York, Sept. 16 .- John A. McCall, president of the New York Life In-

The legislators, who have discovered that this \$100,000 was paid over to Hamilton by order of Mr. McCall and charged up as "sundries" in an account of \$235,000, will not have any difficulty in recalling that long before Hamilton became identified with the New York Life he was exceptionally close to Mr.

When Mr. McCall moved from Albany to this city he brought Andrew Hamilto this city he brought Andrew Hamton with him and put him in the employ of the New York Life at a salary, it is said, of \$20,000 a year, the same sum as was paid by the Equitable to Chauncey M. Depew for many years as

presentative of the New York Life Mr. Hamilton has maintained a front of which not even his most intiends at Albany or around the Hoffman House, where he is four days week, have been able to penetrate. While in Albany during sessions of the legislature Mr. Hamilton has often appeared before committees considering

insurance legislation, By order of the president," is the explanation against these Hamilton into another account they are found hidden in an entry of "sundries \$235,000."

A subpoena has been issued for Mr.

His declaration being the first of the kind Republican Philadelphia has ever heard may be worth quoting. It is as follows: on, but he is not to be found and obtainable by the

The Work at Albany.

It is said that Andrew Hamilton has been on the New York Life Insurance pay rolls at the salary of \$20,000 a year for a long time past, this fee being a yearly legal retainer of the same sort paid to Senator Depew.

Many excellent paid to Senator Depew.

Many excellent reasons for sending \$100,000 to Judge Hamilton in March, 1904, can be found by a review of the bills introduced in the Albany legislature at that time and hanging in the committees of both houses. There were in all fifty bills before the assembly and

In all fifty bills before the assembly and genate in that month, many of them threatening the grafting interests of the insurance companies. a few adding greatly to the powers of the big insurance companies. cerns. It is of interest to note that subsequen to the reception of the \$100,000 in Albany on March 9, 1904, the bills ini to the insurance companies died in The number probably reaches 100, mittee and those granting them

more extensive powers Every effort was made in the office of the New York Life Insurance Company to conceal the identity of the actual recipient of the \$100,000 paid at actual recipi that time. The transaction was kept on the diagnosis of abdominal fumors, off the books in the general office and recorded only in a book in the Hanover Bank office.
