ST. KITTS BEAT OUR INDIANS

Senior C.L.A. Match at the Island Ended in a Score of 7 to 5.

BRANTFORD 14, ORANGEVILLE 2

London Won From Stratford 15 to 2—The Nationals Beat Montreal.

The Athletics of St. Catharines trimmed the Tecumsehs at the Island oval on Saturday by 7 to 5. The weather was cold and windy, and only a small crowd turned out. The Athletics turned up at the Island with the same team with but a couple of exceptions that has represented the Garden City for years, and the new players were no improvement to the team. The Downey Brothers, the Williams Brothers, McIlwain and Elliott, who are almost as familiar to the Toronto lacrosse loving public as the players on the home team, were present and were the most conspicuous players on the field. The Tecumsehs had the same team that won at Orangeville, except that Forester played centre and the defence was moved back to fill the place of Graydon, who is still on the disabled list. A full report was given in our issue of yesterday.

Tecumsehs (5): Goal, Dobbin; point, Grimes; cover, Roach; defence, Hagan, Angus, Forrester; centre, O'Connor; home, Kelly, Durkin, Soules; outside, Pennock; inside, Greatrix; captain, Martin.

Official referee—Peter McMillan. Umpires—J. Cameron, St. Catharines, and Mr. McKenzie of Toronto. Timers—George Taylor and Charlie Pringle.

Brantford Here Thursday.

The Tecumsehs will make several changes in the team for the big game on the holiday with Brantford at the Island. Grayson will be in his usual place, and a couple of shifts will be made in the defence. Brantford has a very strong twelve this year, and has yet to lose a match. Dade, Hendry and Finlayson are playing with the team, which is called to win the C.L.A. championship. Four trainloads of excursionists will come down from Brantford for the game.

Nationals Beat Montreal.

Montreal, June 21.—The Nationals won the N.A.L.U. game from Montreal here to-day by 4 to 1, as follows:

1—Nationals	1½ mins.
2—Montreal	13 mins.
3—Nationals	27 mins.
4—Nationals.	1 min.
5—Nationals.	2 mins.

London 15, Stratford 2.

London, June 21.—The Senior C.L.A. match between the London and Stratford Clubs resulted in favor of the home team by a score of 15 to 2.

Brantford 14, Orangeville 2.

Brantford, June 21.—The senior lacrosse match came off here to-day between Orangeville and Brantford, resulting in favor of Brantford. Score: Brantford 14, Orangeville 2.

Cups vs. Cornwall on Thursday.

Ottawa, June 21.—The N.A.L.U. match scheduled for to-day between Cornwall and the Capitals was postponed by mutual arrangement till Coronation Day.

Woodstock Beat Paris.

Paris, June 21.—Woodstock defeated Paris in a Senior C.L.A. match to-day by 7 to 1.

The Young Torontos Won.

The Young Toronto Lacrosse Club defeated the Y.M.C.A. Juniors by 12 to 2 Saturday afternoon at Rosedale. At half-time the score was 5 to 1 in favor of the Young Torontos.

Shamrocks Won at Brooklyn.

New York, June 22.—After scoring two goals in the first four minutes, the lacrosse team of the Crescent Athletic Club suffered a crushing defeat by a score of 12 to 3 from the Shamrocks of Montreal, champions of Canada, yesterday afternoon at Bay Ridge, L.I. Notwithstanding the rain, more than 1000 persons, among whom were many women, witnessed the game.

The match, which was the last of the season for the Crescents, was full of interesting plays. The work of the visitors was of the sensational order, their passing, attack and defence being of a high order. Quinn and Garvin, the goalkeepers, played in almost faultless style, the honors, if any, belonging to the Canadian. After the first two goals he stopped shot after shot, amid great applause. Garvin's work, however, seemed the hardest, because of the scientific team effort back of the play he was opposing. The teams lined up:

Shamrocks (12)—Goal, Quinn; point, Howard; cover, Kavanagh; defence, Finlayson, McCarry, Smith; centre, Currie; home, Robinson, Heobin, McKeown; inside, P. Brennan; outside, J. Brennan.

Crescents (0)—Goal, Garvin; point, Madden; cover, Miller; defence, De Casanova, Liffitan, Drakely; centre, Kennedy; home, Dobby, Jewell, Shall; inside, Stabo; outside, Curry.

Referee—J. R. Flannery. Goal umpires—E. M. Saunders, Crescent A.C.; T. O'Connell, Shamrocks. Timekeepers—B. A. Kelley and P. Murphy.

Brampton 14, Oshawa 5.

Brampton, June 21.—The Excelsiors won a fast, clean game of lacrosse from Oshawa to-day on Rosalea. Score 14 to 5. After the first quarter the game was a procession for the home team. The teams were:

Excelsiors (14): Burrows, Holliss, Peaker, Skelton, Hayden, Ashley, Irvine, Robson, Henry, Bafrett, Jennings, Claridge.

Oshawa (5): Gee, Shields, Kervin, Glover, Munro, Jones, Graham, Hall, Raymer, Mallett, Stewart, Staples, Dr. Roberts referee.

Elora Juniors Won.

Elora, June 21.—The fourth lacrosse match of the junior C.L.A. series was played here to-day between the Stratfords of Guelph and the Elora Rocks, which Elora won by 8 to 3. The line-up was as follows:

Elora (8): Vallery, Powers, Muir, Wells, Mitchell, Bird, Wells, Huck, Krausman, Jeffrey, Carter, Brown.

Guelph (3): Anderson, Parrott, Hughes, Richardson, Kelly, Porteous, Waddington, Gifford, Young, Cutlen, McSorvie, Ross.

Referee—J. Culbert, Guelph.

ENGLAND WON DECIDING POLO GAME

American Team Beaten at Hurlingham By 7 Goals to 1.

London, June 21.—The second period of the deciding polo game for the American Cup, at Hurlingham, ended with a score of 4 to 1 in favor of England.

At half time the score was 5 to 1 in favor of England. Early in the fourth period the score was 6 to 1 in favor of England. England won the game by 7 goals to 1.

The latter half of the game was the hottest playing of the kind ever seen at Hurlingham. The score stood 6 to 1 in favor of England just before the close. In the last period the Americans attacked vigorously, and held the ball right in front of the English goal, keeping the whole team engaged in defending it. Just before the final bell England broke away and scored.

The very greatest interest was taken in the game. The club ground has seldom seen such an assemblage, which included prominent Americans. The teams were:

Americans (1): J. M. Waterbury, R. L. Agassiz, Foxhall Keene and Lawrence Waterbury.

English (7): Cecil Nickalls, Patteson, Nickalls, George Miller and Walter H. Buckmaster.

The weather was showery, with a leaden sky. The event, however, rivalled Ascot so far as beautiful women and toilets were concerned.

TERRY SCORED 71, NOT OUT.

Mimico Cricketers Won a Clever Victory Over Toronto C.C.

Toronto C. C. visited Mimico Asylum on Saturday afternoon. They won the toss and went to bat first, but could not do anything with Beemer's fast bowling, he getting nine wickets for 29 runs and retiring the side in 1 hour and 30 minutes. The Asylum went in with 1 hour and 30 minutes to play, Beemer and Terry going in first. Runs came slowly for the first 10 overs, six being maidens. Then Terry started scoring all round the wicket and time was up, and, without giving a chance, had 71 (not out) to his credit.

St. Alban's Beat Gordon-Mackay.

Varsity campus was on Saturday the scene of a well-fought game, when St. Alban's and Gordon-Mackay played their first game together in the City League series. The Saints batted first, and, after losing five wickets for 13, Jackes, James Edwards and Hamilton, by careful and plucky batting, were instrumental in taking the score to 71. Edwards carried his bat for 31, a very useful score to his side. Wallace, for Gordon-Mackay, took six wickets for 27. Gordon-Mackay fared but little better than their opponents at the start of the innings, and no batter made any prolonged stand, the side being out for 44. Phil Seon played cleverly and well for his 11, and Wallace hit in lively fashion for the same score. Hamilton and Wheatley bowled splendidly for the Saints, and were well backed up by excellent work in the field. Wheatley secured six wickets for 19 runs.

THE VICE-PRESIDENT WON.

Granite President's Side Beaten in Annual Bowling Match.

The annual match, President v. Vice-President, was played on the Granite grounds on Saturday afternoon. The game was keenly contested, Vice-President Garrow winning from President J. C. Kemp by 19 shots. The President, being unavoidably absent, his rink was very ably skipped by Mr. William Ross, who won from Mr. Garrow by two shots. After the game refreshments were served, and a very enjoyable afternoon was brought to a conclusion by the members having to walk home. Score:

OVER 800 MASONS IN LINE

Special Service in St. James' Cathedral in Honor of the Coronation.

REV. CANON WELCH THE PREACHER

Offertory in Aid of the Masonic Cot in the Sick Children's Hospital.

The annual church parade of Toronto District of the Ancient, Free and Accepted Masons was held yesterday afternoon to St. James' Cathedral. It was also the occasion of the anniversary of the festival of St. John the Baptist, and in celebration of the coronation of King Edward VII., who for 25 years was Grand Master of the Masonic Order in England.

The parade was formed at the Temple Building, and proceeded to the church by way of Bay, Queen, Yonge and King-streets. They were headed by the band of the Royal Grenadiers, under the direction of Bandmaster John Waldron. In the parade were about 850 members, among whom were: John E. Harding, Acting Grand Master; J W St John, M.L.A.-elect, D.D.G.M., Toronto West District; John Watson, D.D.G.M., Toronto East District; J K Kerr, K.C., E T Malone, K.C.; J W Sutherland, P.G.M., Rochester; George J Bennett, W M Roaf, George Tait, W C Wilkinson, A W Porte, D Rose, H Taylor, J W James, E M Carleton, Z Lash, Angus McBain, W J Graham, H Briggs, Dr A G Webster, J W Siddall, Henry T Smith, John Stevens, F Saunders, H S King, W B Aylesworth, Thomas Bell, B N Davis, J W Thompson, P Lee, George McLeish, H Ruthven Macdonald, Jacob Cohen, Frederick Hamilton, Ben Humphrey, John H Pritchard, R Barber, W H Stone, J A Humphrey, W F Chapman.

At the Church.

When the service commenced fully 1500 people were in the church. The service was conducted by Rev. Canon Welch, assisted by Rev. A. U. De Pencier. Several appropriate hymns were sung, the surpliced choir of the church assisting.

The sermon was preached by Rev. Canon Welch, who took for his text: Micah vi., 8: "He hath shown thee, O man, what is good; and what doth the Lord require of thee, but to do justly and to love mercy and to walk humbly with thy God."

The preacher explained the meaning of the text and its appropriateness to the occasion. He urged the members to live up to the principles of the order, and pointed out the benefits to be derived thru membership. "No man can become a Mason unless he believes in the Supreme Being, and that the Supreme Being will punish vice and reward goodness," said the speaker. The order prided itself on its loyalty to the throne and the King. In conclusion, he impressed on the brethren to offer up their supplications for the King, and to sing with heart and voice "God Save the King."

The offertory was in aid of the Masonic cot in the Sick Children's Hospital. During the offertory, Bro. Allan C. Fairweather rendered the anthem, "The King Shall Rejoice in Thy Strength, O Lord."

After the singing of the National Anthem, the gathering dispersed.

MORGAN HAS ADVANTAGE IN FIGHT FOR TRADE OF SEA

Formation of British Shipping Trust Looked on as Foreshadowing One of the Greatest Contests Ever Engaged in By Capitalists.

New York, June 22.—The Herald says: Definite announcement in cable despatches from London that the formation of a British shipping combination to compete with the Ship Trust formed by J. Pierpont Morgan has been practically completed was received in this country yesterday as foreshadowing an ocean war which will involve millions and will engage the foremost ability of modern industrial development.

This struggle of gigantic combinations for the mastery of the Atlantic, involving as it does the national pride of the two great English-speaking nations, presents features that have never before been made prominent in similar clashes between capitalists. While the contest that is in progress between the tobacco trusts of America and England involves large amounts of money, it lacks entirely the sentimental interest that attaches to the conflict for control of the seas.

At the present stage it appears the American combination has an advantage. Its plans have been so far advanced that there is no prospect of any difficulty arising in regard to the necessary capital or the essential agreements. The British combination, on the contrary, has met with an obstacle at the outset in the opposition of the Allan Line.

Mr. Morgan's scheme consists of a combination between American and British interests and a close alliance with the great German steamship lines. It involves the sympathy and capital of the three leading commercial nations of the world. The British plan is confined to an amalgamation of British lines not in the Morgan combination, but as it does not include all that come within this category its formation will have British shipping interests divided into three hostile factions.

Assuming that the attitude of the Allan Line will prevent it from joining the British amalgamation, the American combination will enter the contest with 118 ships, having a tonnage of 881,562, while the British trust will have 173 vessels, with a tonnage of 873,729.

On the American side, in close alliance which at least insures neutrality while the agreement lasts, are the German lines, with their 376 ships, and their tonnage of 1,224,178.

As the Forces Compare in Size.

How the forces are divided is shown in the following table:

—American Combination.—

Lines.	Ships.	Tonnage.
Leyland	46	293,015
White Star	26	250,000
American and Red Star.	26	186,000
Dominion	8	73,749
Atlantic Transport	12	78,798
Totals	118	881,562

—German Lines in American Alliance.—

Lines.	Ships.	Tonnage.
Hamburg-American	256	668,000
North German Lloyd	120	556,178
Totals	376	1,224,178

—British Combination.—

Lines.	Ships.	Tonnage.
Union-Castle	45	252,249
Cunard	18	126,490
Elder-Dempster	110	495,000
Totals	173	873,729

At the outset the American and British forces are divided almost evenly. This balance will be destroyed almost immediately, however, if the plan of the English managers to invest $42,500,000 in new passenger and freight vessels is carried out. With this sum it is intended to construct six large passenger boats, with a speed of 25 knots an hour, and 12 freight vessels, with a speed of 16 knots an hour.

When detailed plans of the British combination are announced it may be found the list of lines entering the new trust is larger than present reports indicate. The promoters of the opposition plan are counting on a subsidy of $2,500,000 annually from Great Britain and Canada, and an effort is being made to obtain a large grant from Australia. There apparently is much opposition to the making of these grants.

Morgan's Plan as It Developed.

Mr. Morgan's plan is confined to the traffic between America and England. He believed a consolidation of the great steamship companies would yield large profits by making possible the introduction of economies and by preventing the recurrence of disastrous rate cutting wars. Mr. Morgan began by buying the Leyland line in May, 1901. In the following month, the Atlantic transport line joined in the project, creating a fleet of 76 vessels. It was not until the end of the year that the other lines now in the combination came in.

There was much alarm in Germany when it became known that the promoters had reached an agreement with the German lines. It was not the aim of the syndicate, however, to attempt to absorb them. The nature of the understanding was merely an amicable alliance for mutual protection. It was agreed that the American trust should not send a ship into a German port without permission from the German lines, who, on their part, undertook that there should be no increase in their trade with English ports. All disputes that might arise should be settled by arbitration.

As a result of the formation of the American syndicate at the close of last year agreement was reached by 12 lines from American ports to Great Britain to advance freight rates on three classes of freight, including grain and provisions. These new rates have been maintained ever since.

MORGAN WELCOMES RIVALS.

London, June 22.—Bernard N. Baker, president of the Atlantic Transport Line, in speaking to-day of Mr. Morgan's steamship plans, said:

"We are contemplating various steps which will be greatly to the public's convenience and economy. Before long the benefits of the combination will become patent to every individual crossing the Atlantic.

"As to the rival all-British combine, I can only say that we welcome it. The Atlantic is big enough for us all. If they think they can do better by combining, they would be foolish if they did not. If they intend to depend on increased government subsidies rather than on diminution of expenses and improvement of the service, I think they are mistaken.

"One of the motives attributed by a section of the English press as constituting the necessity for an all-British trust, namely, the likelihood of the Morgan organization putting all its vessels under the American flag, is perfectly absurd."

Released on Bail.

Montreal, June 22.—Sub-Chief Louis Beauvais of Oka, who had been arrested by Detective McCaskill in connection with the late Oka troubles and conveyed to Ste. Scholastique, has been released on bail. His bondsmen are Peter Oka and Louis Corinthe, both of Oka. Everything was quiet at Oka yesterday, and McCaskill is still pursuing Chief Kenatosse Gabriel, who, it is understood, has left for Ontario; and the Minister of Justice at Ottawa will be asked for the issuance of a Dominion warrant to be entrusted to the Dominion police for execution. Chief Kenatosse Gabriel has several friends who are advising him on this question, and it is said the whole matter will be fully ventilated at the next session of the Dominion Parliament. Petitions are being circulated alleging that the Indians have certain rights to the disputed territory at Oka, and that they are the only proprietors of the disputed land and territory.

Excursion to St John, N.B.

A large party of ladies will leave by boat on Saturday next on their way to St. John, N.B., to attend a meeting of the National Council of Women. They will spend part of Monday in Montreal and go to Quebec in a special car by the night train. Tuesday, July 1, will be spent in Quebec, and St. John will be reached at noon on Wednesday. All ladies who are members of federated societies who desire to accompany the excursion are requested to send their names and addresses to Mrs. Cummings, 44 Dewson-street, as soon as possible, so as to obtain certificates necessary to secure the reduced rates.

He Certainly Was In It.

The young man who was properly in it yesterday was the lucky owner of a bicycle. He got the drop on his rival for once, for he made the regular Sunday afternoon call and had a splendid confidential chat over the tea cups. It certainly is a great time for the wheeler. Even if you have to buy a new one, why, youll get the worth of your money in exercise after the strike is over. You can buy the best wheel made anywhere, a "Cleveland" or "Massey-Harris," to-day at a figure that would astonish you for cheapness.

Banks Will Close Saturday.

Montreal, June 22.—J. P. Knight, secretary of the Canadian Bankers' Association, stated to-day that he had heard from 17 out of the 18 Montreal banks, and all had agreed to close down on Saturday. So it is understood that a decision will be reached at once on the question.

Boat Service From Dufferin-St.

The Toronto Railway Employes' Union have chartered the steamer Mazeppa from J. J. McCaffrey and will run her from Dufferin-street wharf to Yonge-street, commencing on Tuesday morning at 7 o'clock. A half-hour service will be given.
