Throw away your powder and rouge and use a plain spurmax lotion. Then you will have a complexion of which you can feel justly proud, because it will be real as well as beautiful. To prepare it dissolve four ounces spurmax (which you may get from your druggist) in one-half pint witch hazel or hot water. This lotion cannot be detected when on, and its regular use banishes lines, blotches, pimples, black-heads and sallowness. The spurmax lotion is delightful for spring months, as it protects the skin from the winds.
