

# REAL CHAMPAGNE CHRISTENS FLORABA

Ocean-going Steamer Gets Pleasant and Successful Wet Baptism.

Gaily bedecked with flags and bunting, the Floraba, a 2,500-ton steel cargo vessel, was launched from the yards of the Dominion Shipbuilding & Repair Co. yesterday afternoon at five o'clock.

For just a moment after the workmen had cut the last ties holding the ship on the ways, the great hull did not move, and a wave of expectancy spread thru the large crowd of onlookers. But presently she started and as she glided down the greased timbers towards the water, Mrs. G. Abauza, wife of the president of the Gulf Navigation Co. of New Orleans, for whom the vessel is being built, broke the traditional bottle of champagne on the prow of the steamer.

The launching party consisted of Mr. and Mrs. G. Abauza and Miss Abauza, Captain and Mrs. J. B. Foote, Miss Foote, Mr. and Mrs. L. Dahlgren and Miss Violet Dahlgren. Other prominent people who witnessed the ceremony were the members of the executive council of the Canadian Association of British Manufacturers and their representatives, namely, Messrs. G. A. Marshall, J. T. Harris, J. Wilson, Harold Wilson, R. D. Harling, C. W. Beal, F. W. Field, Wm. Inglis, Campbell Reeves, F. C. Brunk, Mayor Church, Capt. Wm. Evans, H. T. MacMillan, J. T. Payette, A. ## SHERIFF BEGINS TO LEVY ON JUDGMENTS

James Simpson's Shares in Labor Temple Co. Seized—May Lose Secretaryship.

The sheriff of Toronto, acting for O'Leary and Hevy, who have judgments against James Simpson for libel and slander, has already taken action to realize on the judgments. Twenty-four shares of stock in the Labor Temple Co. held by Mr. Simpson, have been seized, as has his 100 shares in the Labor Educational Publishers.

The amount to be realized on these shares is small, the nominal value being but \$1 per share, but their importance to Mr. Simpson really lies in the fact that they qualify him for the two positions of secretary and treasurer of the Labor Temple Co., and managing-director of The Industrial Banner.

Other steps are said to have been taken to realize on the judgments, and it is said that a sheriff's officer was placed in Mr. Simpson's home, on Indian road, but was withdrawn upon security being given until Mr. Simpson would prove that it was his property.

## COUNCIL PROTESTS HYDRO COMMISSION

A hurried call summoned the Port Credit council members to a special session of the council on Tuesday night. The chief business responsible for the urgent summons was a protest against the government's withholding the order-in-council relating to the much discussed Hydro radial project.

As in the other municipalities along the Lakeshore road, keen disappointment is felt in Port Credit, from which community considerable numbers of the long-suffering, traveling public are compelled to undergo the inconveniences of the present inadequate service to and from business.

As a result of the proceedings the council as a whole will represent Port Credit at the conference of protest to be held in the city hall today.

Another chief feature of the special meeting was the receiving of the report on the proposed installation of a waterworks system. The report impressed the council favorably, and it is with confidence the civic fathers will push the scheme thru to its final referendum of the ratepayers.

The project is looked upon as a valuable asset to the community, and little doubt entertained that the citizens will do other than vote it thru.

# Half a Pineapple For One Dessert

In Jiffy-Jell desserts the fruit flavors are abundant. For instance, half a pineapple is crushed to make the flavor for one pint dessert. This is done in Hawaii from fruit too ripe to ship.

All Jiffy-Jell fruit flavors are made from condensed fruit juice. They come in liquid form—in vials—a bottle in each package. That is true of no other quick gelatine dessert.

A few cents will serve a real-fruit dessert for six people. No artificial flavor, no saccharine. It is the most delicious fruit dessert available, and it comes in ten choice flavors.
