PLANS FOR THE ARMY'S FUTURE

General William Booth Tells What Will be Done in the Event of His Death.

LONDON, July 30.—General William Booth, the head of the Salvation Army, who is engaged in a motor tour of Great Britain, announced on Sunday at Blackburn, Lancashire, that the same electric flash that carried the news of his death would publish the name of the new general. It is learned that General Booth has left minute directions for the future administration of the army in a sealed envelope with his solicitor. No one else knows who his successor will be, but it is believed that it will be Bramwell Booth, with Commander Howard and Commander Boswell as alternates in case of Bramwell Booth's death, and that the army will continue under the guidance of one man, and not of a committee or a board of directors.

BAIL FOR MOYER

President of Miners' Federation Released in Bail of 25,000.

BOISE, Idaho, July 29.—Charles H. Moyer, president of the Western Federation of Miners, and co-defendant with William D. Haywood, acquitted yesterday of the murder of former Governor Steunenberg, was ordered released on bail in \$25,000 today by Judge Wood, who presided at the Haywood trial. The attorney for the federation expected to have the bond ready for filing tonight, but the arrangements had not been wholly completed at a late hour, and Moyer resigned himself to another night in jail. He will probably be released tomorrow. No application for bail was made in the case of George A. Pettibone, the third of the alleged conspirators, but a motion was made for a speedy trial, and his case was ordered set down for Tuesday, October 12.

FAMINE IN JAMAICA

Kingston, Ja., July 30.—The central districts of the island of Jamaica are suffering from a severe drought, and the outlook for the harvest crop is not bright. The drought has caused greater loss to the island than even the great earthquake and fire which destroyed the city in January last. There is a bad famine in certain districts in the parish of St. Elizabeth and half a dozen deaths from actual starvation have been reported. There was a sharp earthquake shock Sunday morning.

SAMSON SURE HAS A HOODOO

TORONTO, Ont., July 30.—(Special)—Samson Leiden was the centre of a number of strenuous exercises yesterday. At 8:30 last night fire broke out in his grocery store at 73 Elizabeth street and burned \$1,100 worth of provisions. A few hours before that, a horse raised by him at \$900 took flight on Church St. and broke its neck. And a few hours before that his wife presented him with twins.

TWO CENTS PER MILE

OTTAWA, July 30.—(Special)—The railway commission decided this morning that the Grand Trunk Railway must run every day between Montreal and Toronto one train containing one third class carriage the passenger rate on which shall be two cents per mile. The G. T. R. is given leave to appeal.

KNIGHTS OF PYTHIAS DECORATION DAY

The decoration day committee of the Knights of Pythias have made arrangements for the use of the Queen's Rink for receiving donations of flowers. Members of the committee will be at the rink every day between Montreal and Toronto one train containing one third class carriage the passenger rate on which shall be two cents per mile. The G. T. R. is given leave to appeal.

MISS DORA JONES WINS THE GOVERNOR GENERAL'S MEDAL

Miss Dora Jones is the winner of the Governor-General's silver medal for 1907. Miss Jones made the highest percentage out of the eleven scholars of grade X who took the special examination for this honor. Miss Jones is a daughter of Mrs. Emma A. Jones of 122 Duke street. That she is an exceedingly bright and clever scholar is evidenced by her standing in the examination. Her total percentage was 68% a lead of 22 points over her nearest competitor, Miss Hazel Holder. Miss Jones made the highest standing in French and also in history and geography. In geometry she was beaten two points by Miss Holder and in algebra Miss Catherine Murdoch led with 100 points a lead of four over Miss Jones. In Latin, natural science and English language and literature she was tied with one of the other competitors. Following is the standing of the scholars in detail:

BRITAIN AND RUSSIA REACH AN AGREEMENT

Understood They Have Adjusted Their Differences on Indian Frontier and in Persia.

LONDON, July 30.—It is announced that the negotiations between Great Britain and Russia have resulted in an agreement amicably adjusting all outstanding differences on the Indian frontier and in Persia. Both powers have consented to the delimitation of their spheres of interest in these regions. Sir Arthur Nicolson, the British ambassador at St. Petersburg, who is at present visiting in London, is arranging the final details of this matter.

THEY MUST ALL SPEAK ENGLISH

TORONTO, Ont., July 30.—(Special)—The coroner's jury which inquired into the death of Chas. A. Shields, a German who met his death at the G. T. R. Toronto round house last Tuesday night, censured the G. T. R. for not providing sufficient space between the engine and the floor joists of the post to protect human life and recommended "that all railway companies be forced to employ only English speaking men in roundhouses where signals are to be given and men's lives are in danger."

CANADIANS IN BRAZIL

Sir William Van Horne and Others Have Important Railway Undertakings in View There.

NEW YORK, July 30.—The Times today says the syndicate of New York and Canadian capitalists, including Sir Wm. Van Horne and Wm. Lannan Ball, which for some time has been engaged in traction and harbor improvement undertakings in Brazil, has laid plans, it was reported yesterday, to extend its operations to steam railroad undertakings. The syndicate is said to have under consideration the construction, all told, of 2,000 miles of railway in Brazil to connect and extend existing lines. The ultimate purpose, it is said, to connect Rio de Janeiro with Montevideo, the capital of Uruguay.

QUARRELLED OVER FATHER'S ESTATE

This is Believed to be Cause of the Tragedy at Versailles

VERSAILLES, July 30.—It is stated by certain acquaintances of the late Major Humington that after his quarrel with his son, Henry, he had drawn up a will leaving all his property to his wife and the four other children, but that in view of his reconciliation with Henry on Sunday he tore it up, and made a new will in which Henry was given an equal share with the others. It was the protests of the family against this will, and the quarrel according to the statement, led to his revolver.

THE HARBOR DREDGING

Hon. Wm. Pugsley Says Sir Wilfrid Will Take It Up With Mr. Aylesworth.

Hon. Wm. Pugsley returned home today from Ottawa on the Atlantic express. Asked regarding dredging matters, Dr. Pugsley said he had laid the matter before Sir Wilfrid Laurier and he had promised to take it up with Hon. Mr. Aylesworth as soon as he returned to Ottawa. Sir Wilfrid had expressed the wish, he said, that both dredges should be kept working all the time. Dr. Pugsley said he also had a talk with the secretary of the Ottawa Dredging Company, owners of the No. 4 dredge, and he had expressed his willingness to do anything possible to facilitate the work. He will visit St. John in a few days in connection with business affecting the dredges.

OARSMAN UPSET IN THE HARBOR

William Garnett Got a Ducking While Rowing Last Night.

The capsizing of one of the Neptune Rowing Club's single sculls in the harbor last evening about eight o'clock occasioned some little excitement for a time, if it did nothing more than give Wm. Garnett a ducking. Garnett as a customary went down the harbor for a spin in his scull with a crew of six. He held onto the shell, however. A line was thrown to him from the Grand Manan steamer Aurora and both oarsman and shell were soon safe on the little steamer's deck. When the report reached the boat house soon after midnight, a note was produced to the effect that a man was drowning and a boat was consequently dispatched with all haste.
