

## Ushers' Report.

---

In submitting our Fourth Annual Report the Ushers of St. Andrew's Church take this opportunity of thanking the members and adherents of the congregation for the hospitable manner in which they have placed their pews at our disposal during the past year.

We would urge upon the congregation the desirability of taking immediate steps to secure more seating accommodation, as in the entire area of the church there is not one sitting vacant and at the disposal of the staff, and the ever increasing number of visitors who are desirous of attending our services place us at a loss to know how to provide suitable room for them without encroaching too much upon the kindness of our pew-holders.

We have always endeavored to extend a cordial welcome to strangers, and are pleased to record a very material increase in the number of young men attending, especially our Sunday evening services.

Signed on behalf of the staff.

O. B. LESLIE,  
*Chairman.*
