LIFE INSURANCE COMPANIES

They Are Closely Observing Public Health Conditions

An examining physician for one of the prominent Life Insurance Companies, in an interview on the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease.

According to this it would seem that a medicine for the kidneys, possessing real healing and curative properties, would be a blessing to thousands.

Dr. Kilmer & Co., Binghamton, N. Y., who prepare Dr. Kilmer's Swamp-Root, the well known kidney, liver and bladder remedy, claim that judging from evidence received from druggists everywhere, who are constantly in touch with their customers, and also indubitable proof in the form of grateful testimonial letters from thousands of reliable citizens, this preparation is remarkably successful in sickness caused by kidney and bladder troubles. Every interesting statement they receive regarding Swamp-Root is investigated and no testimonial is published unless the party who sends it is reported of good character. They have on file many sound statements of recoveries in the most distressing cases. They state that Dr. Kilmer's Swamp-Root is mild and gentle in its action and its healing influence is soon noticed in most cases.

Swamp-Root is purely an herbal compound and Dr. Kilmer & Co. advise all readers who feel in need of such a remedy to give it a trial. It is on sale at all drug stores in bottles of two sizes, 75c. and \$1.25. However if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention The St. John Daily Times-Star.
