DELIGHTFUL RECITAL IN  
AID OF THE BELGIANS

A delightful recital by the junior orchestral class of William C. Bowden was given in the Natural History Society rooms last evening and was well attended. The programme was well diversified and the numbers were skillfully and tastefully played, reflecting credit alike on the young musicians and their instructor. Master Clarence Causton

won high praise for his violin solo, as did Master Macgregor Grant for his well played cello selection. A vocal solo by Master Tamas Bailey also won commendation. The proceeds of the evening are for the Belgian fund. The programme follows:—  
Orchestral Class—"National Anthem of the Allies"  
Cello solo—"Intermezzo" (Mascagni)  
Master Macgregor Grant  
Orchestral Class (a) "Prelude" (b) "Sarabande" (c) "Allmande" St. George

Winter's Chills Bring  
Out Kidney Ills.

Winter quickly makes you realize that there is something radically wrong with the Kidneys. There can be no doubt as to just what is making your back ache all the time—what causes you to urinate so often—what makes the urine so highly colored and so painful to void.

The trouble is with the Kidneys. They are weak or strained, or you may have taken cold and the cold has settled in the Kidneys. The inflammation has also extended to the bladder, which is irritated also by the excess of uric acid.

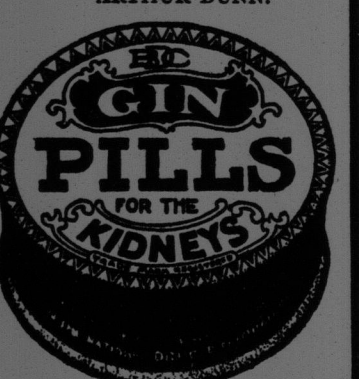

Gin Pills  
FOR THE KIDNEYS

are a perfect protection against winter Kidney and Bladder Troubles, as Mr. Dunn will testify.

"For four years, I suffered from Kidney Trouble and tried four different doctors, all failing to do me any good. I was all but discouraged when I saw your GIN PILLS advertised and after taking three boxes, I was entirely relieved. It is now a year since then and I have had no return of the trouble!"  
ARTHUR DUNN.

Depend on Gin Pills to cure your Kidney and Bladder ills—to give you relief from Rheumatism and Pain in the Back—to neutralize uric acid and prevent bladder irritation—to regulate the urine—in short, to enable you to enjoy life this winter.

50c. a box, 6 for \$2.50. Gin Pills are "Made in Canada". Sold in U.S. under the name "GINO" Pills. Trial treatment if you write

AMATEUR NIGHT AT  
THE OPERA HOUSE

Lively Contest For Honors—Some  
Get the Hook—Tug-of-war a  
Draw

An amateur contest conducted last night in the Opera House under the auspices of the Young-Adams Stock Company drew a particularly large crowd and there was much interest taken in the efforts of the participants to get a "hook" from the audience. The "hook" was in evidence more than once and an unceremonious pull jerked the candidate for footlight honors back from the view of the sea of faces in front, much to the amusement of the majority, but to his discomfiture and embarrassment. Among those who "got the hook" was a headless youth who had himself announced as "The Man in the Street". Just why he should have taken this title does not appear as almost any other would have done and it did not save him from the long-armed "hook".

Much interest centered in a tug-of-war between two teams from the Army Service Corps which resulted in a draw, with H. Wilmut Young as timekeeper, and Sgt. "Dip" Duplisse as referee. The prize winners in the contest were Louis Doherty, Miss Pearl Ramsay, and Miss Mildred Craig.

New Navy for United States  
The naval appropriation bill was passed by the United States house of representatives yesterday. It calls for an expenditure of \$146,648,902 and provides for two dreadnoughts, six torpedo boat destroyers, one sea going submarine, eleven submarines and one oil fuel ship.

A squirrel in the city part of Sabathia, Kan., after a seemingly endless amount of labor, managed to store a coconut in her nest. The squirrel was so interested in her task that it did not notice the many spectators.

An investigation to correct the defective working of one of the engines in the municipal lighting plant at Bangor, Me., disclosed the fact that there is a crack almost all the way through the hub of the enormous fly wheel and the metal base has been worn away very much. The wheel is 7 1/2 feet in diameter, weighs several tons, and when up to speed revolves at the rate of 300 revolutions a minute. If the hub had given way the bursting of a 16-inch shell would have been tame compared to it.

WAR  
PUZZLE

Above will be found the picture of a modern gun of the kind that is being used in the present war. At a glance the gun and some old trees appear to be all there is in the picture, but by careful scrutiny some soldiers' faces will be found. There are 19 of them in all. Can you find them? It is no easy task, but by patience and perseverance can be accomplished.

You may win a cash prize by doing so. Many have done this as it will be shown by the names and addresses published below. If you find the faces mark each one you find with an X, cut out the picture and send it to us, together with a slip of paper on which you have written the words "I have found all the faces and marked them." Write these nine words plainly and neatly, as in case of ties, both writing and neatness will be considered factors in this contest.

This may take up a little of your time, but as there are TWO HUNDRED DOLLARS in cash and One Hundred premiums given away, it is worth your time to take a little trouble over this matter. Remember, all you have to do is to mark the faces, cut out the picture and write on a separate piece of paper the words, "I have found all the faces and marked them."

We do not ask you to spend one cent of your money in order to enter this contest. Send your answer at once; we will reply by return mail telling you whether your answer is correct or not, and we will send you a complete Prize List, together with the names and addresses of persons who have recently received over Two Thousand Dollars in Cash Prizes from us, and full particulars of a simple condition that must be fulfilled.

Winners of cash prizes in our late competitions will not be allowed to enter this contest. This competition will be judged by two well known business men of undoubted integrity, who have no connection with this company, whose decisions must be accepted as final.

Below will be found a partial list of the names and addresses of a few persons who have won some of our larger prizes in recent contests. Although these persons are entirely unknown to us, they are our references. An enquiry from any one of them will bring the information that our contests are carried out with the utmost fairness and integrity. Your opportunity to win a good round sum is really as good as that of any one else, as all previous winners of cash prizes are deferred from entering this contest.
