They are from St. Malo and Verville and arrived in New York yesterday morning on the White Star line. It was the old fashioned excuse of getting liquor from a good-natured stranger whom he did not know, that Albert Whipple, arrested yesterday on a charge of drunkenness, offered the police court this morning. He said that in company with a couple of others he had gone to Long Wharf and one of the men, neither of whom he knew, went some place and returned about 9 o'clock with a bottle. The excuse was too flimsy for His Honor, and a fine of \$8 was struck.

**SUPERVISOR FOR
E. D. C. PLAYGROUNDS**

In order that the scores of little children who spend every evening on the Every Day Club playgrounds may be under proper supervision the club has engaged the services of Miss Kerwell, who has had much experience as a teacher, to be on the grounds every fine evening from 6 o'clock till closing hour. Parents will thus be assured that the little ones will be in good hands, and will be sent away in time to get home before dark. The children have their own corner in the spacious field, and are not at all interfered with by ball games or other exercises. Mothers may safely send the boys and girls to these grounds for an evening's play of two hours or more every fine day.

**MCADAM
MAN KILLED
BY TRAIN**

Allen Glover, Riding on Railroad Velocipede Last Night, Meets Death Near Prince William—Body Found Today

The body of a man, identified as Allen Glover, of Madam Junction, a shoe-maker, aged thirty-five years, was found on the line of the Canadian Pacific Railway this morning about three-quarters of a mile west of Prince William station. He had apparently been riding on a railway velocipede during the night when he was struck by a train and killed.
The discovery was made by the crew of a special freight train going east in charge of Conductor S. Thompson, about 7.15 o'clock this morning. The body was lying beside the track and was badly cut up. It was thought that the man was riding toward Madam on the velocipede when he was run down by a train. The velocipede was found nearby, smashed in pieces. The body was taken to Prince William where the coroner, Dr. Dugan, after viewing it, ordered it taken to Madam to the man's relatives.
It is presumed that Glover borrowed the velocipede from an employee of the railway at Madam.

**REPORTED STREET
RAILWAY MEN ARE
TO ASK MORE PAY**

The management of the street railway will, it is said, at an early date, have to deal with the question of an increase to wages to their conductors and motormen. It is understood that the men of this branch of the service have for some days been working out a schedule which is to be presented to the company.
Manager Hopper said today that nothing had been said to him so far.

**NOTHING BUT RUMOR
SAYS MR. DOWNE OF C.P.R.**

The report from St. Stephen that the C. P. R. has acquired control of the Washington county railway, which runs out of Cabot, Me., revives the story published in the Times-Star on March 16, to the effect that the big Canadian road is planning a line of railway from the junction of the Shore Line to Mattawamkeag, to make a shorter haul between this city and Montreal.

Superintendent Downie of the C. P. R. said this morning that there was nothing in the rumor as far as he knew. The Washington county road had been taken over by the Maine Central a few years ago and he believed that they still controlled it. The work being done by the C. P. R. at St. John was simply to take care of the increased business of the road in that section and was not, as rumored, a prelude to a scheme to make big extensions in that direction.

There is a feeling, however, that the project referred to in this paper some time ago is not by any means visionary, but that the C. P. R. is planning to utilize the Shore line as part of a direct line to Mattawamkeag, for the handling of business between this city and Montreal. Such a line would save many miles of haul and would give an almost straight line from here to Mattawamkeag.

**IMPRESSIVE CEREMONY
IN ST. PETER'S CHURCH**

The services held in St. Peter's church last night in honor of the feast of Corpus Christi, were attended by hundreds of people and were very impressive. They consisted of the recitation of the rosary, vespers and benediction, and were conducted by Rev. F. O'Regan, C. S. S. R. A feature of the devotion was a procession around the corridors of the church, in which walked the little children of the Sunday school, representations from the married and single men of the parish, the altar boys, and in the rear the Blessed Sacrament, carried under a silken canopy, which was held by F. J. Casey, A. L. Dever, E. J. Morgan and Wm. Doherty.

The little girls in the procession, daintily gowned in white and wearing veils and wreaths, scattered flowers along the aisles, and acolytes and single and married men held lights and candles. Rev. A. J. Duke, C. S. S. R., had charge of the procession.
