HEAR MORE ABOUT PRICE AGREEMENTS

Board of Commerce Investigation of Alleged Wholesale Grocers' Combine.

(Canadian Press.)
Hamilton, Ont., March 12—Chairman O'Connor, of the Board of Commerce, investigated the alleged wholesale grocers' combine, declared yesterday that practically everything disclosed at the inquiry on Wednesday and Thursday showed that the manufacturers and wholesale grocers were not acting in compliance with the law.

Joseph Ruddy, vice-president and general manager of the Canada Starch Co., admitted that his company and the St. Lawrence Starch Co. conspired before they fixed the prices for the trade. He further admitted that representatives of the two companies had gone over the price list on last Friday.

He said that they were justified in doing this, because if one company sold cheaper than the other they would be flooded with orders it could not fill.

W. G. Williams, Ontario manager of the Canada Starch Co., admitted that there was a "gentlemen's agreement" between his company and the St. Lawrence company as to prices.

Some Blow High in Air.

New York, March 12—Trade winds, sweeping from west to east at from 100 to 800 miles an hour, were discovered at the foot by Major Schreder, who beat the aviation altitude records recently.

CHICKEN THEFT BY WHOLESALER

Montreal, March 12—Joseph Thibault, who carried on a large wholesale business by preying on the poultry yards of the six counties surrounding Montreal, was found guilty here yesterday and will be sentenced next Tuesday.

His method was to sell fruit in season to the farms, locate the poultry runs, and return and loot them at night. Last October he swept the chicken coops of one farmer clean of 20 fine specimens, and this exploit was the cause of his undoing.

JAPS CLOSE AMERICAN METHODIST MISSION SCHOOLS IN KOREA.
Tokyo, March 12—(By the Associated Press)—Two American Methodist mission schools in Korea have been ordered closed by the government, according to despatches to the local newspapers.

THE STANDARD UNDER GUNS OF TORONTO GLOBE

Ottawa, Ont., March 11—In the Toronto Globe, this morning, the leading editorial deals with a circular letter issued recently by H. V. MacKinnon, manager of the St. John Standard, announcing a reorganization of that paper and saying the new concern is to have a stock capitalization of \$50,000 and a bond issue of \$80,000, to be placed among manufacturers and others. The circular proceeds:

"Along with these bonds we propose issuing to subscribers a proportion of the capital stock of the new company, and will agree that the bond holders shall direct the fiscal policy of the paper."

The Globe attacks the Standard sharply for this sort of appeal.
