## SERIOUS CLOTHING CONDITION.

The buyer for the men's clothing department of Oak Hill returned recently from Montreal after looking into trade conditions there in the interests of the firm. Mr. Bonnell reports that, according to the present outlook, clothes are likely to go considerably higher this fall. A short time ago representatives of large interests in the United States visited Canada with the object in view of getting control of the output of the Canadian manufacturers. Although they were unsuccessful, it simply shows the enormous demands for clothing of all kinds the world over.

While in Montreal, Mr. Bonnell had the good fortune to make a large purchase of men's suits at a very satisfactory price. In fact, at prices which prevailed pre-war conditions. These suits are now on display at the store and will be placed on sale Monday morning at 10 o'clock at prices which will give our customers the full benefit of our close buying. See window display. Regular retail \$18.00, \$20.00 and \$22.00. Special price \$14.85. Regular retail \$25.00, \$28.00 and \$30.00. Special price \$21.50.

## CROPS HELP TO VICTORY.

New York World.—The condition of the crops as now reported for June 1 leaves little to be desired. The indicated winter wheat yield of 587,000,000 bushels is virtually assured, and alone is nearly equal to the total wheat harvest of either last year or the year before. The indicated total for both winter and spring varieties of 981,000,000 bushels would be very much the largest ever harvested, with the single exception of 1915. This point is a yield equalling last year's crop and the smaller grain remain to be heard from, but it has so far been a season almost ideal weather conditions throughout the country, and practically everything in the line of food-stuffs is advancing into the summer with the highest promises of bumper yields. No less encouraging is the state of the cotton crop, whose acreage and whose condition for the season are much above the average.

## WELL SATISFIED WITH BABY'S OWN TABLETS

Once a mother has used Baby's Own Tablets for her little ones she will use nothing else. Experience teaches her that the Tablets are the very best medicine she can give her baby. They are a gentle laxative, mild but thorough in action and never fail to banish constipation, colic, colds or any other of the many minor ailments of childhood. Concerning them Mrs. J. B. Charest, St. Leon, Que., writes:—"My baby cried continually and would not sleep. I began using Baby's Own Tablets. These Tablets soon set her right and now I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville (Ont.).
