**CORNWALL COMMANDER RETURNS MAYOR'S CALL**

Navy Officers Later Guests of Governor Wood at Union Club Luncheon

Captain Hodges, commander of H. M. S. Cornwall paid a formal visit to His Worship Mayor Frink at City Hall at ten o'clock this morning, returning the call made by the mayor yesterday. Lieutenant Governor Wood was unable to visit the "Cornwall" this morning owing to the pressure of other business, but may make a call this afternoon.

His Honor, the lieutenant-governor, was the host at a pleasant informal luncheon at the Union Club at one o'clock today in honor of the chief officers of the training ship. Covers were laid for twenty-three, in the smaller dining room. The table, which was circular in shape, with an extension at one end, looked very attractive with the display of silver and cut glass and floral decorations of white and yellow chrysanthemums and greenery.

Governor Wood sat at the head of the table, with Captain Hodges on his right and Mayor Frink on his left. The other guests, in addition to five officers from the "Cornwall," were: Senator Daniel, Lieut.-Colonel MacLaren, J. D. Wm. Downie, F. R. Taylor, Lieut.-Col. Baxter, J. M. Robinson, Major Armstrong, Colonel H. H. McLean, W. E. Thorne, H. C. Schofield, Hon. J. E. Wilson, Dr. Thomas Walker, M. G. Teed, K. C. L. P. D. Willey, M. P. P., and H. E. Schofield.

Mayor Frink is entertaining the officers and cadets from the "Cornwall" at the soft Club this afternoon. Those who play will have the opportunity for a game, and other amusements will be provided during the afternoon. Tea will be served at five o'clock.

**MUCH TRAVEL**

Many people went out of the city yesterday taking advantage of the fine weather to spend the holiday in the country. The suburban trains were well filled with people going to the summer homes for the last time this year. A few of those living along the C. P. R. were greeted with an unpleasant surprise when they went to their cottages, finding them broken into. It was probably the work of tramps, but in some instances, it is thought, that parties of hunters were to blame.

**THE REFINERY**

F. H. Anson of Montreal accompanied by several of the gentlemen who are interested with him in the sugar refinery project returned to the city today on business connected with the proposed refinery. **LIQUOR LAWS AND SONS OF TEMPERANCE**

Grand Division Session This Morning Hears Reports, Suggestions and Comments

At this morning's session of the Grand Division of the Sons of Temperance, held in Christadelphian hall, matters of interest were discussed. The chair was occupied by Grand Worthy Patriarch R. H. Stavert. Previous to the regular meeting the propagation committee held a session when Rev. Mr. Stavert, who has been acting as lecturer and organizer for the last year, gave a report of his work. His services have been greatly appreciated, as they have been most commendable and successful, and it was decided to have him continue in office for the coming year when he will attend to organizing in the St. John river section. A grant of \$10 was voted to aid in the work of the St. John District Division.

A report was read from the Kent-Northumberland district division, the District Scribe, H. H. Stuart, giving statistics showing a large increase in membership along the North Shore. The report also recommended that the grand division adopt a resolution favoring the government sale of liquor in those sections where no local option or prohibitory laws exist, thus eliminating the element of private profit.

At the session this afternoon the report of the propagation committee, composed of E. S. Hennigan, chairman, S. B. Estlin, F. G. Moore, Joshua Stark, and Mrs. Hennigan, was presented, as well as a report upon her work among the juvenile members by Miss L. Mae Kirby, grand patron, both of which were well received. As the former report regret was expressed that the provincial government had again refused the request for prohibition, which it was, if granted, would be a great boon to the province. The report spoke favorably of the success of local option in the places where it was in vogue. Many new divisions had been organized, about twenty in all, and the general membership had been increased by 629 members. The installation of officers and the appointment of delegates to the national division were matters for this afternoon.

**HARRY R. WEATHERHEAD AND MISS BUBAR WED**

Ceremony This Afternoon at Home of Bride in Queen Street

A very pretty wedding was solemnized at the home of Mrs. and Mr. A. L. Bubar, 238 Queen street, this afternoon at four o'clock, when Rev. T. J. Demaldt united in marriage the only daughter, Miss Helga Good Bubar and Harry Robert Weatherhead, son of John Weatherhead, of this city. The bride was attired in blue silk and carried a bouquet of roses and lilies. There were no attendants. After the wedding luncheon was served, and Mr. and Mrs. Weatherhead will leave at the 8:30 express for Montreal, where they will visit relatives. The bride's going away dress is a grey tailor-made suit.

The house was very prettily decorated for the occasion. The wedding ceremony was performed in the presence of most relatives and friends of both the bride and groom. Many handsome presents were received, including several checks. The groom's present to the bride was a handsome set of furs. Both the bride and groom have many friends in the city who will wish them much happiness.

**FRENCH CANADIAN GIRLS FOR CHAMCOOK FACTORY**

Esport, Oct. 28.—Owing to the trouble which the Canadian Sardinia Company is experiencing with the band of Norwegians whom it intended to come to St. Andrews to work in the new sardine factory at that place, no more people from that place will be brought to this country. A large delegation of French Canadian girls will arrive this week to work at Chamcook and with the large number expected from Cape Breton it is thought the company will have sufficient workmen to start the plant in operation in a few weeks.

**BURGLARS AT McADAM**

A Skene's general store at McAdam was broken into, on the night of the 23rd inst. Entrance was made by way of the cellar, then to the main store by way of a trap door. The visitors emptied the cash drawers of what small change was left in the till, and took watches, rings, bracelets, lockets and other jewelry amounting perhaps to \$200; also a pair of "Hart" button boots size 6. A reward of \$50 has been offered for information that will lead to the arrest of the guilty ones.

**IN THE POLICE COURT**

Andrew Irvine, was arraigned in the police court this morning on the charge of drunkenness and also with resisting Policeman Ward while being arrested. He pleaded guilty to both charges and seemed delighted when he was sentenced to serve six months in jail the alternative being a \$28 fine. When asked by the court, he said that he had found the liquor which had made him drunk. He was informed by His Honor that his name would be placed on the interdiction list at once.

Fredrick McDann, charged with stealing electricity valued at \$1.50 from the St. John Railway Company pleaded guilty to the charge. His Honor gave him a sound lecture and allowed him to go on suspended sentence.

A woman who was arrested on Friday last on charge of being drunk in her home in Sydney street and also setting fire to the house, thereby endangering her own life and the lives of others, was brought before the court and pleaded not guilty. She was allowed to go on condition that she appear in court when wanted.

Two deposits of \$8 each were deposited to the court. Two young lads charged with truancy pleaded guilty and were sent below to the guard room. This is the second time that the lads have been before the court on the same charge, and their mother was told that she would have to pay \$2 to save the boys from going to jail.

**HE RESIGNED**

A statement recently appeared to the effect that Lightkeeper Dahlbøf of Swallow Fall Light had been dismissed. This was incorrect. Mr. Dahlbøf resigned on account of ill health.
