## JUST A MINUTE.

On the counter of nearly every good grocery store you will find a box of 10c. sample packages of a truly genuine Orange Pekoe tea—the finest quality tea the RED ROSE people have ever put out.

You will not expect very much tea for 10c., but you will get a surprise. That small package will make 80 cups of tea—the very nicest tea you have ever tasted.

A ½ lb. package is only 48c., very little more than ordinary tea—there has been no advance in price of this tea as yet.

Before you forget, please pick up the phone and order a package. You will praise the tea even more than we do.—(Adv't.)
