PAY WELL WITH THESE PRICES

HERE IS MY FIX. In ten days I must get out of my old store at the corner of Sydney and Union streets, removing to my fine big store at 75 King street (the Macaulay Bros. place). If I don't sell everything out quick I don't know what will happen to me—the new store is too full already. So I have to ask the public that has stood by me these nine years to take this stock off my hands. For my part I have made it twice worth your while with a Removal Sale that knocks the stuffing out of every price in the Store.
