## EDWARD MOONEY PASSES AWAY

Last of Original Firm of B. Mooney & Sons Is Dead

End Comes at Infirmary in Early Morning After Weeks of Illness.

The death of Edward Mooney of the firm of B. Mooney & Sons, contractors, occurred at 5.10 o'clock this morning in the Saint John Infirmary, where he had been a patient for some weeks and for some days in critical condition. Mr. Mooney was taken ill last fall while engaged in building the new wing of the Infirmary. He spent seven weeks in the institution then and was able to be around but three weeks ago suffered a relapse.

### LAST OF ORIGINAL FIRM

Mr. Mooney was the youngest of the B. Mooney's sons and the last of the original firm to die. The other brothers, Michael F. and Patrick J., were equally well known because of their prominence in the construction affairs of the province as well as in personal circles. M. F. Mooney died last October and P. J. about six years ago. All were born in Ireland and brought to this country with their parents. The firm was established in 1873.

Edward Mooney, who married Miss Ellen Barry of Chatham, leaves five sons, Leon and Edward, and five daughters, Bernice, Hortense, Evelyn, Clara and Dorcas. Also there is one sister, Mrs. S. O'Connor of Saint John. The history of Saint John and its upbuilding since the great conflagration in '77 is to a great extent linked with the career of B. Mooney & Sons and therefore with the late Edward Mooney himself. Many of the best public structures and residential sections stand as testimonials to this enterprising firm of contractors, the original members of which are now entirely eliminated in the death of this respected citizen to- day.
