RUB LUMBAGO PAIN OR BACKACHE AWAY

ness, stiffness, sciatica with "St. Jacobs Liniment."

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica, or maybe from a strain, and you'll get blessed relief the moment you rub your back with soothing, penetrating "St. Jacobs Liniment!" Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on and out somes the pain. It is perfectly harmless and doesn't burn or discolor the skin.

Limber up! Don't suffer! Get a small trial bottle from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or shatica, because your back will never hurt or cause any more misery. It never disappoints and has been recommended for 60 years. Stop drugging kidneys! They don't cause backache, because they have no nerves, therefore can not cause pain.
