MANHOOD.

We have recently published a new edition of Dr. Culverwell's Celebrated Essay of the radical and permanent cure (without medicine) of Nervous Debillity, Mantal and Physical Incapacity, impediments to Marriage, etc., resulting from excesses.

or two postage stamps.

The celebrated author in this admirable Essay learly demonstrates, from thirty years successful practice, that alarming consequences may be rad nally cured, without the dangerous use of intercal medicine, or the application of the knife pointing out a mode of care at one simple, cer tain and effectual, by means of waich every sufferent, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and man in the land.
