Notice. Ship Building Bounty

I am instructed by the Government that it is their intention to submit to the Legislature at its next session a Bill to limit the class of vessels entitled to Bounty from the Government under the present Shipbuilding Bounty Law. Hereafter Bounty will be payable on vessels not exceeding 120 tons gross measurement. Vessels exceeding 120 tons gross will not qualify for any Bounty whatever. It is intended that the Regulations shall apply to all vessels of which the keel has been laid at the date of this notice, but all vessels, the keels of which are not now laid, shall come within the scope of the proposed new Regulations, and shall not be entitled to Bounty when the vessels exceed 120 tons gross measurement.

Practical Acknowledgement

The following letter has been received by Gunner Herbert Russell, of Country Road, near the Cayzer Irvin's wharf: "Dear Sir, I, S. Clon Sinclair, who have pleasure in sending you herewith cheque for £18 being proportion of some allied by the Liverpool and London War Relief Association and by ourselves in recognition of services rendered by you on the occasion of vessel being stocked by enemy submarine."

Dr. H. W. Masell, Editor of the St. John's Daily Star, has severed his connection with that journal and has gone to Toronto, where he takes a position on the editorial staff of the Toronto World. A special issue was tendered him by the Star's staff at Wood's Restaurant, and a discussion of the toast to Mr. Masell, on behalf of the staff, presented Dr. Masell with an address, which he finished a cigarette case.

Some members of the school children of St. John's, Wash., rendered a Festival Chorus and orchestra. Thousands of school children took part, and among the number we note the name of Graham French, son of George and Jessie French, formerly of Trinity Cove. Graham is quite a violinist and took the solo part in one of the selections. The purpose of the musical festival was to show the daily work of the music department in the public school, and this year for the first time the concert was organized and trained by the schools. Graham has been a student of the violin for six years, and plans to make music a profession.
