SPORTING NEWS.

THE RING.

Jackson Defeats Slavin in a Most Brutal Fight.

The contest at the National Sporting Club London, between Peter Jackson and Frank Slavin was a battle for blood from the first round to the last. Both men fought like lions. There was no shamming, no hugging, no falling to escape punishment, no fear on either side from beginning to end. Old and expert sportsmen say they never saw a better and more exciting fight between two men.

While the fight on both sides was as fair as could be fought, it was nevertheless one of the most cruel and brutal.

When Slavin received his coup de grace he would not give in, but dazed and tottering though he was, a single thought remained in his mind—the must not fall. Receiving one after another the terrific blows of his antagonist, and fainting and bleeding he staggered from one side of the ring to the other, but would not go down.

Jackson realizing the pitiful condition of his opponent, thirly turned to the referee to ask: "Must I hit him again?"

Each time the referee was obliged to reply under the laws of the ring: "You must knock him out to win."

Slavin started up against the ropes, and Sir John Kelly, whose humane instincts overcame even his regard for the rules of pugilism, held him with both hands to prevent his falling over among the spectators.

Twice Slavin went down so far as to see the floor, with both hands to prevent going to the floor, while his opponent with arms down, took a break by rising to let him down.

When the big Australian finally fell into the evening his face and body were covered with blood, and his form was quivering.

It was three minutes after his seconds dragged him to his chair before he gave any sign of life. His left eye was closed and he lay on the side of a man's egg, his left ear was split up for half an inch and bleeding profusely, and were cuts on both sides of his face, and his nose and lips.

Two Murphys Stag Each Other.

Last Tuesday night, Billy Murphy of New Zealand and Johnny Murphy of Boston, fought a finish at the Pacific Athletic club for a purse of \$1,250.

The betting was 20 to 12 in Billy's favor.

He scored a finish at the Pacific Athletic club for a purse of \$1,250.

The Australian looked like a full grown man, beside a pigmy.

He scored a finish at the Pacific Athletic club for a purse of \$1,250.

A second clip near the end of the round also went to Billy's spinning.

From the third to the tenth round the fight was little more than a boring exhibition.

In the tenth round Billy scored two hard smashes, which looked for a time like a finish.

In the thirteenth round the Bostonian, in his opponent with a right cross counter and smashed him with both hands until it looked as if Billy was out. Johnny called an intermission at a critical moment, and Billy came back with his right.

The New Zealander was in a bad shape, however, and had the Bostonian more length of arm, and he had not substantially have scored a finish in this round.

In the fourteenth round Billy cut the Bostonian's cheek with his right leg, drawing blood.

Round number 15th to 20th were marked by eye and take fighting, and the many clever rallies were loudly applauded by the spectators.

In the 20th round Billy Murphy was knocked down and for nine seconds he was clearly down.

But he came up barely inside the limit and was able to keep the eastern boy off for the rest of the round.

The 10 round ending with the 20th was free fighting, and in the 20th the referee, Sullivan, announced that as no work had been done for a quarter of an hour or more, he would postpone the battle, which will be resumed some time later in the month.

Several remarks that Cronin made about Gavin after the trouble have served to strengthen the suspicion that the former had something to do with the murder.

A GREEK GOODS DIRECTORY.

Two Men Arrested for Asking Footmeters to Help Complete It.

Post Office Inspector Jacobs, of New York, has just returned from the West, where he arrested two green goods men. The chase lasted for more than a month through Canada and the West, and Inspector Jacobs finally captured his man in Toledo. They said they were W. P. Volkman and W. G. Turner.

They have been sending out circular letters to the postmasters of the West, Inspector Jacobs says, requesting each postmaster to send them a list of the prosperous farmers of his locality for a "new business directory similar to those of Bradstreet and Dun." They sent a dollar to each postmaster to pay him for his trouble.
