

## PREFACE.

The Editor begs leave to present the Eighth Volume of the Dominion Swine Breeders' Record. The compilation in this volume has been changed by the authority of the Swine Breeders' Association, so that the names of the breeders of the sire and grand-sire, as well as the dam appear; and the pedigrees are abbreviated to the first dam, keeping each breed separate, with separate pages and indexes, so that the different breeds can be bound together if found necessary.

There are still several certificates missing, recorded in 1894, that have not been sent in to be copied since the fire, consequently they will not appear in this volume.

This volume contains 1,491 Berkshires, 718 Yorkshires, 415 Chester Whites, 330 Poland Chinas, 427 Tamworths 208 Duroc-Jerseys, or a total of 3,589 pedigrees.
