> toes from Victoria and Vancouver.
> "The demand for information in re have forwarded under separate cover copies of the B. C. exhibit. These are by the Winnipeg Free Press photo-grapher, and the illustration was repro-duced in the exhibition issue of that paper, which has also been very generous in the matter of notices and complimentary references to the exhibit. "I have much pleasure in stating that the directors and officials of the Win-

nipeg Agricultural and Industrial Asso-ciation have extended every courtesy and attention possible in connection with our exhibit. Many of them propos to visit British Columbia during the time of the forthcoming Dominion exhibition at New Westminster, when I trust opportunity will offer to reciprocate the kindness received at their hands.

"The preserved fruit exhibits have been repacked and forwarded to Brandon. I propose leaving for the same destination on the 31st inst., and hope to have our exhibits in place by the evening of the 1st proxime. Fresh supplies of fruit in season are due to arrive at Brandon on the same date.

"With favorable weather there will undoubtedly be a very large attendance at the Brandon fair, which is essentially a farmers' show. It runs from the 1st to the 4th prox."

The Japanese troops are throwing proclamations into the Russian lines urging the Russians on account of impending peace, not to undertake recon M. Pogue, settlers of that portion of the naissances which would only result in

RICHMOND RIFLE RANGE.

A view of the Richmond rifle range during the progress of the international shoot. These butts were used for the first time this year. They are located within easy distance of Vancouver, and are equipped with 'all modern conveniences, there being telephone communication between all the markers and all the firing points. The respective teams were engaged at a range of 500 yards when the picture was obtained. WEALTH.

Robust Health More Valuable Than a Gold Mine.

Everyone desires to be wealthy. What s wealth? A hoard of gold or bank stocks? No, not by any means. A Croesus, facing death, would freely give all for health. A healthy, strong man or woman is wealthy. Analyse this and see. woman is weatthy. Analyse this and see.

To be healthy, all the functions of
the body must work well. The bowels
must move daily, the kidneys must act
regularly and the skin must do its work.
Constipation brings headaches, backaches, sallow or grey complexion, because
the kidneys and skin have to do the work
of the howels which they cannot do and the kidneys and skin have to do the work of the bowels, which they cannot do, and the body is poisoned. Fruit acts on the bowels, kidneys and skin—it cures constipation, biliousness, liver and kidney disease—purifies the blood—and makes the complexion clear. To get the full benefit of ordinary fruit non-next tabulation. of ordinary fruit, you must take a lot of it. A physician in Ottawa has discovered a A physician in Ottawa has discovered a method of combining the juices of oranges, apples, prunes and figs and forcing into the united juices one more atom of bitter from the orange peels. This makes a stronger and more condensed fruit. This condensed, stronger fruit, with fonics added, is put up into tablets under the name of "Fruit-a-tives" or "Fruit Liver Tablets." Por those travelling, "Fruit-a-tives" are invaluable, protecting the system against changes of climate, diet and water. The sale of these tablets all over Canada is simply enormous. Use them and become healthy which means wealthy. At druggists, soc. a box or 6 boxes for \$5.50, or sent by mail on receipt of price by Fruit-a-tives Limited. Ottawa.

FOREIGN RELATIONS

Earl Percy Makes Statement in the House of Commons Respecting Government's Policy.

London, Aug. 3.-The session of the House of Commons to-day was taken up with a discussion of the foreign policy. Earl Percy, under secretary for foreign parture will be a distinct loss to the com-affairs, said that under the present cir-runity. It is understood he will be suc-cumstances it was impossible to discuss the changes in the Far East that might

> anxiety. Reverting to the Far East, he said that it was true that while Great Britain, in common with other countrie was losing trade in China, Japan's trade in that country was increasing. Ef-forts were being made to obtain fresh markets in the interior, he continued. China had promised if the Chinese were unable to finance the proposed railway through the Yangtse valley to the Redstone basin, in the province of Szechuan, to apply first to British and American

capital to build it. Great Britain, he said, was now negotiating with France for the joint construction of the line.

Earl Percy's speech was made to avoid parliamentary discussions on the subject while pence negotiations were proceeding. Sir Charles Dilke, who initiated the discussion, intimated that a renewal of the Anglo-Japanese allinance would be warmly supported by the Keisha was able to continue her voyage and ance would be warmly supported by the

It is stated that the Japanese gover ment has recently given further considerable orders for khaki clothes in the Bradford district.

In connection with the statement of

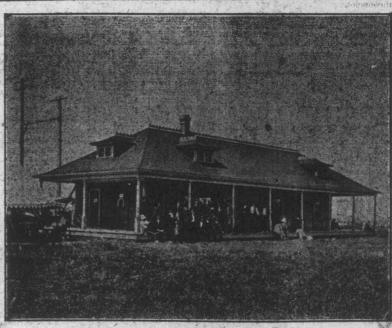

Earl Percy in the House of Commons yesterday afternion concerning Great Britain's foreign policy, which is the subject of considerable satisfaction in the editorials this morning on account of its reassuring view as to the relations of Great Britain with Germany and with Europe generally, as well as on be brought about by the war, or changes it might be desirable to introduce in the pre-occupation in a great war does not a fine the pre-occupation in a great war does not thought right to renew it. He noted with satisfaction that all agreed upon the desirability of renewing such an alliance. The Associated Press understands that the Our needs—McClary's "Kootenay" is desirability of renewing such an alliance. The thought that the general is accounted to the vadence that Japanese alliance in the vadence that Japanese account of the vadence that Japanese account state of Europe presented no cause for Earl Percy's guarded allusion to it. It be done beyond signing the new instru-
