line of mourners, and engaged like himself in taking views of the historic procession. It was not an act of professional courtesy on his part. By force of circumstances he was competil-ed to give his competitors this free ad-vertisement. Doubtleas they had to return the compliment. MORGAN WILL ENTERTAIN.

Those who believe that simplicity should mark all religious gatherings will, perhaps, be pained as they read of the ostentatious manner in which Mr. J. Pierpont Morgan will comport himself at the Episcopal general con-vention, which begins next Wednes-day in San Francisco. The New York Horald thus describes the manner of the journey of the steel magnate and what he will do in the way of enter-tainment:

The official return just issued shows that the South African concentration camps in August contained 137,619 per-come. The deaths numbered 2,346, of which number 1,878 were children. Ten Boer leaders who have been cap-tured since September 15 have been permanently banished from South Africa.

to cause his relations and friends grave anxiety. A handsome monument to the memory of Gunner Moore of D battery, Royal Canadians, who died at Pretoria, has been unveiled at Acton, Omtarlo. Hon. Wm. Adulock denies the report that he is going to resign because of ill health. Black gowns with white collars and ties were worn by the laddes and gen-tiemen in a Toronto Methodist chory yesterday. The object is to do away with rivalry in dress among the ladles. A pitched battle between strikers and policemen occurred yesterday in San Francisco. Seven men are known to be wounded, one probably fatally. No less than 50 shots were fired. RESIGNATION REFUEDD.

RESIGNATION REFUSED.

RESIGNATION REFUSED. BOSTON, Mass., Sept. 23.—The Rev. Geo. C. Lorimer, pastor of the Tre-mont street Temple Baptist church, who has recently received a call from the Madison avenue church. New York city, today tendered his resigna-tion, which was read before an im-membe congregation by Deacon Went-worth at the close of Dr. Lorimer's sermon this morning. Rev. W. W. Bwarts, the assistant pastor, and others stated that if the present church debt could be reduced by \$100,-000 they had the assurance that Dr. Lorimer could be induced to remain. The plea for funds was immediately responded to, many pledging them-selves for various amount. The members of Tremont Temple fourch then by a unanimous standing yoth essure act assured the re-sponsibility of raising the sun re-quired. <text><text><text><text><text><text><text><text>
