CANADIENS 9; WANDERERS 2. Montreal Feb. 7.—Canadiens had an easy victory over the Wanderers tonight, winning by 9 goals to 2. The Wanderers were outpointed at every stage of the game, and towards the a end tried to hustle the Frenchmen, and at one time it looked as if the game would end in a free fight.

The final period of the game degenerated with a brutal affray, and there was a procession of Wanderers to the penalty timers box, until there were only two of the team left on the ice.
