MARYSVILLE MAN  
HAS ARM MANGLED  
IN MACHINERY

Marysville, Sept. 1.—One of the most serious accidents that has occurred here for some time happened about five o'clock yesterday afternoon, when E. D. Clayton had his left forearm severely mangled between the cylinders of a card machine that it rendered amputation of the limb necessary.

While Mr. Clayton was working at the machine his hand got caught in the wire clothing and drawn into the cylinder. It took him twenty minutes to extricate him and although suffering intense agony he displayed wonderful nerve and directed and even assisted those about him in the work of releasing him. He was hurried to his home in an auto and Drs. Ross and Alberton rendered the necessary surgical aid. Mr. Clayton rested well last night and is very bright and cheerful under the circumstance. He has worked for 30 years in the card room and was a very expert mechanic. His host of friends will learn with regret of his misfortune. He is also the police magistrate of Marysville, which position he has filled with dignity for several years.

Diarrhoea arises from many causes such as, change of water, change of climate, change of diet, catching cold, the eating of unripe fruits, etc.

Never neglect what, at first sight, appears to be a slight attack of diarrhoea, for if you do some serious bowel trouble may ensue.

Mrs. Wm. Bartlett, Stanley, N.B., writes: "Last summer our little boy, age 13 years, took diarrhoea. He got so bad that he could not get up. We procured a bottle of Dr. Fowler's Extract of Wild Strawberry, and after I had given him the third dose he was all right. I would not be without it, as I consider it a household remedy. It is a Godsend to any family."

There is nothing that can take the place of "Dr. Fowler's."

## COLPITTS FAMILY

REUNION YESTERDAY  
ATTENDED BY OVER 600

The reunion of the Colpitts family was held yesterday at the old Ralph Colpitts homestead, about two miles below Forest Glen, Westmorland county. Between six and seven hundred members of the family were present, mostly from Albert and Westmorland counties, though several came from all over the province—some in fact, coming from Massachusetts and farther west. The weather was fine and the reunion was a success in every way. It was decided to meet again in five years.

The family elected their officers as follows: President, W. S. Colpitts, Moncton; secretary-treasurer, R. J. Colpitts, St. John; executive committee, W. A. Colpitts, Elgin; Lane Colpitts, Colpitts; Albert Colpitts, B. M. Colpitts, Woodstock; H. W. Colpitts, Moncton; Otto Breakney, Elgin; Robert Day, Moncton; E. L. Colpitts, Pettitcodiac; Alfred Parkin, Pettitcodiac; and Wm. Horsman, Forest Glen. A notable feature of the gathering was the fact that over a score of these present came in automobiles, while ten years ago this mode of conveyance was scarce.

Mr. Harold Cadman spent Tuesday with friends in Shediac.

Mr. Alfred White had the misfortune to cut himself very badly on his leg while chopping with an axe. Dr. Carter was called from Port Elgin and several stitches were needed to be taken to close the wound.
