YARMOUTH LOSES
A GOOD FRIEND

Yarmouth, N. S., June 11.—The fun-
eral is taking place this afternoon of
Sophia, widow of Robert Cale, a former
Richibucto man. Her death took
place about midnight Friday. She
was the eldest daughter of the late
Samuel Kilam, and was born in
Yarmouth. She had reached an ad-
vanced age. Mrs. Cale was one of
those whose good deeds will live after
her. Largely through her efforts
the Yarmouth Hospital became the
useful institution it is. "Coronation
Park," the children's playground at
Yarmouth North, is another of her
good works, and the Boys' Club at
that portion of the town, which does
such good work among the boys, was
made possible through her donation of
the Milton Library building for the
purpose. She took a deep interest
in everything that appertained to
the upbuilding of the town, and her
purpose was ever ready in any good
cause which appealed to her. She
leaves one daughter, Miss Clara, who
has the sympathy of the community.

YPRES SCENE OF
DUEL BETWEEN
THE BIG GUNS

British Line Heavily Bomarded for Two Hours—Enemy
Losses Heavy in Raid Made by Gloucester Regiment—
French Artillery Plays Havoc With Enemy's Positions
in Belgium.

London, June 11.—The British official
statement issued at midnight says:
"The chief centre of activity has been
about Ypres, where there has been
a heavy artillery bombardment. Our
tranches north of the Ypres-Com-
munes railway were heavily shelled,
from one to three o'clock this (Sat-
urday) afternoon, and hostile artillery
has been active throughout the day
against our positions west of Hooge.
There have been no infantry actions in
this region.
"Our artillery bombarded enemy po-
sitions about La Boisselle, Arras and
Loos. In the region of Souchez and
Angres our trenches have been shelled
heavily by artillery and trench mor-
tars. There has been some mining
activity on both sides at the Hohenz-
ollern redoubt and the quarters west.
"We exploded a mine at Cunchy,
considerably damaging the enemy
trenches. We sprang two mines south
of the Vreestraat-Wytschaete road,
causing slight damage to our trenches,
but damaging their trenches also. Fol-
lowing these exploding hostile aero-
planes dropped bombs ineffectively on
our trenches.
"Further reports regarding the raid
by the Gloucester Regiment south of
Neuve Chapelle indicate that consid-
erable loss was inflicted on the enemy,
and that much damage was done to his
trenches by a detachment of Royal
Engineers, who accompanied the raid-
ers."
Germans Claim Big Gains Near Ver-
dun.
Berlin, June 10, via London.—The
French have been driven out of sev-
eral positions northeast of Verdun in
the course of stubborn fighting, the
war office announced today.
South of Fort Vaux a French field
work was stormed and more than 500
prisoners and 2 machine guns were
taken.
The official statement is as follows:
"In Belgium the destructive shelling
by our artillery of the German organ-
izations in the sector of the Dunes
caused two fires, followed by explo-
sions.
"On the front north of Verdun the
artillery action was maintained very
actively on both sides of the Meuse,
but there was no infantry action dur-
ing the course of the day. Our bat-
teries took under their fire enemy col-
umn north of the village of Doumau-
mont.
"In the Vooges, south of the Col De
St. Marie, German groups which at-
tempted to approach our lines after a
violent bombardment, were driven
back into their trenches by our ma-
chine gun fire."
Belgian communication:
"There is nothing in particular to
report, with the exception of the usual
artillery action."

ENGLAND HAS ENOUGH
AMMUNITION TO LAST
UNTIL END OF THE WAR

Now Makes All Her Own,
Shell Maker Declares, and
American Firms Will Get
No More Contracts.

New York, June 10.—American man-
ufacturers will receive no more am-
munition contracts from England, ac-
cording to T. H. Curtis, a director in
the firm of Curtis & Hardy, English
manufacturers of explosives, who came
here yesterday from the Finland.
Mr. Curtis said his firm with twelve
factories in England and 1 in Mont-
real was turning out 200 tons of am-
munition daily. About 10,000 women
are employed in the plants.
"England is making all her own am-
munition now," continued the powder
manufacturer, "and has enough to car-
ry her to the end of the war. She will
award no more contracts in the United
States. Among other reasons, the
prices here are extremely high and
delivery uncertain. The military au-
thorities are preparing for another
winter campaign."

blage ever held in the Queen Con-
vention City of the Pacific Coast, bring-
ing with it the Red Cross, arrived
last evening and is visiting Miss

A TASTY SUMMER
"SNACK" FOR THE
WARM DAYS

"Snack" for the warm days when the appetite
craves "something different" for
luncheon, for picnics or
any kind of outdoor excursion
is Triscuit, the Shred-
ded Whole Wheat Wafer.
It is made of the whole wheat
steam-cooked, shredded
and baked. Toast it in the
oven to restore its crispness
and spread over it butter, soft
cheese or marmalade. Its
snappy, tasty aroma is a
delight to the palate, supply-
ing the greatest amount of
nutriment in smallest bulk.
A deliciously wholesome
toast. It is ready-cooked,
easily carried, is strengthening
and satisfying.
Made in Canada.

ONLY 10 DAYS
FOOD SUPPLY
IN GREECE

Twelve Ships Are Held Up In
Great Britain and Seven-
teen in France.

London, June 9.—Following the an-
nouncement of the closing of the
Greek ports by the Allies the Greek
consul general here stated that there
is food for only ten days in Greece.
He said he is unable to understand
the blockade as precautions have pre-
vented goods from reaching the en-
emy through Greece for some time.
Twelve Greek ships have been held
up in Great Britain and seventeen in
France.
The decree signed by King Constan-
tine, disbanding the twelve senior mili-
tary classes, about 150,000 men, will
be submitted to parliament before
taking effect. Throughout Greece the
decision to disband part of the army
which has been mobilized since last
October is joyously received. It is
thought in Athens that the demobiliza-
tion of the army will mean the down-
fall of the Skoufoudis government.

Tobacco Heart
CURED BY
MILBURN'S Heart and Nerve Pills.

Tobacco does not seem to affect all
alike. Many men enjoy their smoke,
live to a good old age, and apparently
suffer no ill effects from the use of the
weed.
There are others, though, on whose
heart and nervous system tobacco pro-
duces the most serious results.
It causes palpitation, pain in the heart
and irregularity of its beat, makes the
hands tremble, sets the nerves on edge,
and the breath becomes short.
To counteract this demoralizing in-
fluence on the heart and nerves there is
no remedy that equals Milburn's Heart
and Nerve Pills.
They make the heart beat strong and
steady, restore tone and vigor to the
nerves, and remove all the evil results
caused by the tobacco.
Mr. Nelson Young, Brampton, Ont.,
writes: "I have had, up to about a
month ago, a very weak heart, which I
suppose came from smoking cigarettes.
When I heard of Milburn's Heart and
Nerve Pills as a cure, I immediately
gave up smoking, and started using them.
I feel now that I am the founder of
such a great remedy. They made me
feel like a new man."
Milburn's Heart and Nerve Pills are
50c per box, 3 boxes for \$1.25, at all
dealers or mailed direct on receipt of
price by The T. Milburn Co., Limited,
Toronto, Ont.

WAR PRISONER IN GERMANY
— Gen. Mercer Rendered
Stone Deaf and Slightly
Wounded.

London, June 11.—(Montreal Gas-
ette cable)—Definite news has reached
the military authorities here that Gen.
Victor Williams, who commanded a
brigade of the fourth division, was
taken prisoner during the recent
heavy fighting near Zelleboke. The
British minister at The Hague has
forwarded a number of postcards
which General Williams and other
Canadian officers who were taken
prisoner have been allowed to send.
Gen. Mercer, who was reported
missing with Gen. Williams, accord-
ing to a correspondent of The Week-
ly Dispatch was slightly wounded
and rendered stone deaf during the
heavy five-hour bombardment on the
Canadian lines. Beyond this, adds
the correspondent, no one seems to
have seen Gen. Mercer.
