RED CROSS MEETING

AT HAVELOCK

Mrs. McAvity and Mrs. Lawrence Speak at Meeting Held Under Auspices of W. I.—Large Attendance and Great Interest Shown.

Mrs. John McAvity, president of the local Red Cross, and Mrs. Lawrence, accompanied by William McIntosh, visited Havelock and held there an interesting Red Cross meeting, returning to St. John yesterday.

The party were met at Petticoat by motor and driven to Havelock where they were entertained very pleasantly at the home of Mrs. Fowles.

The meeting which was held in the evening at the town hall was very well attended, several ladies driving over from Petticoat to be present.

Rev. Mr. Johnston acted as chairman and introduced the speakers.

Mrs. McAvity gave a talk on the value and necessity of Red Cross, taking as a text for her address, "The Best Dressed Woman in the World," and showing how the nursing sister stood in the place of a mother to the wounded man.

Mrs. Lawrence described the slides which were then shown and gave an interesting facts in connection with the work of the Red Cross and its tender care of the sick and wounded soldiers. Both speakers have the subject greatly at heart and their addresses were listened to with deep interest.

Mr. McIntosh managed the lantern for the pictures.

The meeting was held under the auspices of the Havelock Women's Institute, of which Mrs. Lamb is president and Mrs. Alward the secretary. Nearly \$50 was realized.

At the close of the meeting the Sunshine Circle, a club of fifteen young ladies, was invited to the home of Mrs. Fowles, where they enjoyed informal talks from Mrs. McAvity and Mrs. Lawrence and asked many questions regarding the making of Red Cross supplies.

An invitation has been received for a similar meeting to be held at Petticoat.

Very Effective Method For Banishing Hairs

(Modes of Today)

At very little cost any woman can rid her face of hairy growths if she will use the delicate treatment. This is made by mixing some water with a little powdered delatone. This paste is spread upon the hairy surface for 2 or 3 minutes, then rubbed off and the skin washed, when every trace of hair will have vanished. No harm results from this treatment, but care should be used to buy real delatone.

GOOD WORDS FOR SALVATION ARMY

Lieut. Price Speaks of Grand Work Salvationists Are Doing at the Front—He Will Return to the Battlefront.

Lieut. Price, of Moncton, arrived in the city yesterday. He has seen service, but is very reticent regarding what he did. However, he received wounds which incapacitated him for a time.

He crossed the pond in early days of war, with the first draft of the 9th Siege Battery, and was shot whilst night bombing. He then underwent treatment in the Princess Christian Hospital, and in Perkins' Bull Hospital; the latter hospital was formerly Sir Ernest Shackleton's home, which he gave up to the British government for the care of the wounded men. Mr. Perkins is a noted Montreal man, and has done great service in this present war for the wounded.

Lieut. Price mentioned the noble work of the Salvation Army today in France, and added that they give everything gratuitously to the Tommies, not a red cent does it cost the soldier to stop in any of their inns over there. He added they are doing a noble work.

Lieut. Price has been in Montreal and Toronto lately for treatment. He is now in the R. F. C. and expects to go overseas again in the near future.

Hamilton, Ont., May 23.—A three-day convention of the Great War Veterans, (Ontario branch) was formally opened here today by Sir John Hendrie, Lieutenant-governor of Ontario. The Lieutenant-governor said it gave him great pleasure to be among men who had been the first to respond to their country's call.

In conclusion, Sir John said: "Your convention will be watched closely throughout the dominion and what you do here will likely influence action in other provinces."

Captain Jenkins said the Great War Veterans' Association was to be either a benefit or a menace to the country. It need not be the latter. It ought to be the former.

An enemy menace at home took many forms and the association must bring it to light and have a hand in its downfall.
