SUCCESSFUL WINNERS FOR CITY CORNET BAND PRIZES

Miss Zita Higgins, 346 Haymarket Square, With Series C No. 66 Won the Five Hundred Dollar Prize—George W. Brown, City Road, Won \$250—Mrs. A. F. Webb, Britain Street, Receives \$150.

The drawing of the lottery of the "Around the World" fair, under the auspices of the City Cornet Band, was held last evening in the Knights of Columbus rooms, Coburg Street. The drawing occupied a long time, and the event drew a large crowd, all eager to ascertain if he or she was the winner of the large prizes. The five hundred dollar prize was not drawn until near the latter part of the evening, and at last the young boy picked out the lucky number from the churn bearing the number "Series C-No. 66," and the winner is Miss Zita Higgins, 346 Haymarket Square. The \$250 prize went to George W. Brown, 41 City Road, and was drawn by ticket Series X-96. Ticket Series I-No. 51, held by Mrs. A. F. Webb, 93 Britain Street, drew the prize of \$150; ticket Series M-No. 94, held by Daniel Haggerty, of the St. John Iron Works, carried away the \$75 premium; fifty dollars won by ticket A-51, held by W. J. McCann, 61 Erin Street, and a gentleman of Fredericton, Herbert McManniman, won a prize of \$25. Frederick Donovan, Main Street, was the winner of the Pathophone, valued at \$80, which was donated by the Patho Freres, the Amland Bros., Limited, Waterloo Street. The winner of the prizes can procure the same by visiting the rooms of the City Cornet Band, over police headquarters, and will be awarded their prizes any time today.

The following is the summary of the different prize winners. The names and addresses of the lucky ones are given in full, as well as the number of the lucky tickets:—
C-66—\$500—Zita Higgins, 346 Haymarket Square.
X-96—\$75—Geo. W. Brown, 41 City Road.

K-42—\$25—Wm. McAuliffe, 18 Kitcheener St.
S-35—\$25—Mrs. Haley, 57 Lombard St.

BOARD OF TRADE IN FAVOR OF TONNAGE BASIS FOR BONUS

Recommend \$5 Per Ton on Completed Vessels Instead of Cash on Laying of Two Keels — A. H. Wetmore Suggests Development of Water Powers by City and Power Co. in Partnership.

At the annual meeting of the Board of Trade held last night the committee appointed to consider the matter of aid to any concern starting a steel shipbuilding plant here, presented their report on the proposal submitted by the St. John Dry Dock and Shipbuilding Company, and in that report expressed themselves as strongly opposed to any cash bonus, except on the completed tonnage basis.

The election of officers resulted as follows: R. B. Emerson, president; W. F. Burditt, vice-president; G. E. Barr, W. E. Golding, A. H. Wetmore, W. H. Thorne, H. C. Schofield, J. M. Robinson, T. H. Estabrooks, J. M. Christie, M. E. Asar, P. W. Thomson, members of the council.

After the minutes of the last annual meeting had been read and confirmed and the summary of the council proceedings adopted, the retiring president, A. H. Wetmore, made his retiring address.

He thanked the members for the honor conferred on him in being permitted to serve for two years as president of the board. He gave a short review of the activities of the board in that period and suggested some of the problems to be faced in the future.

Among the advances which had been made in the development of industrial activity he mentioned the establishment of two shipyards building wooden ships, and the resumption of the work on the Courtenay Bay dry dock and breakwater. The adoption of a new tax law, the formation of a company for the building of a steamer or for, service on the Bay, and additions to several plants in the city.

Among the things to be considered in the future development of the port he suggested the establishment of a car ferry to Digby and the linking up of the city and New Brunswick Power Company, to develop the water power of the province, in order to provide cheap power to industries. The adoption of a permanent paving policy by the city council under a local

Fall Clearance Sale

WOMEN'S HIGH-GRADE FOOTWEAR

Special Discount 10% This Week
OFF FORMER LOW SALE PRICES

This week we have decided to make a further cut in the already low sale prices and are offering these up-to-date Fall styles at an additional reduction of ten per cent. These goods are going fast and as we desire to have them all sold this week, are offering this special discount and would advise your early selection.

All goods in this sale are our regular stock lines and include such reliable brands as "Dorothy Dodd," "J. & T. Bell," "Winnie Walker" and "W. & R. Special." This is your guide as to the quality of goods offered.

which the municipal home now stands, the company undertaking to replace the building on some other site at its own expense, and the diverting of the road in front of the plant.

The report of the committee was as follows: "If and when the bona fides and the financial responsibility of the Company making the proposal are proved, to the satisfaction of those who are to grant aid, then the municipality might reasonably provide the additional land asked for to complete the site, including the diverting of the road and the necessary expropriation connected therewith."

"The municipality has several suitable sites in its possession which would make, at very small cost, desirable locations, and on one of which the company could replace the Home on the basis of their proposal."

"The city should allow them a nominal value for taxation of their real estate and personal property of say \$250,000, covering the total plant, materials and site, for a period of twenty or twenty-five years. Other taxes to be at normal prevailing rates."

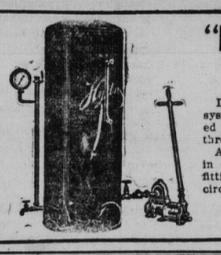

"In addition to these, we believe, because of the great value an industry of this kind will be to the city and province, that they should, to enable the company to get fairly started, grant some aid in the way of a cash bonus."

"We are, however, absolutely opposed to this being granted, except in such a way as to insure continuous operation and the earnings, as it were, of the bonus before it is paid."

"We therefore recommend that the bonus be on the basis of completed tonnage."

"Your committee is of the opinion the city would be justified, in addition to the relief in taxation already mentioned, in giving a bonus of \$3,000 per ton, and that the provincial government would receive the support of the people in granting a bonus of \$200 per ton, making a total of \$5,000 per ton on the first 100,000 tons launched."

"This would mean that when the company has completed, in say ten years, ten ships, of 10,000 tons each or twelve of a little over 8,000 tons, they will have received the \$500,000 asked for, and the city, province and municipality, will in the meantime have felt the benefit of the industry which they have been aiding."

"Hydro" Pneumatic Water Systems.

Do not delay fitting a modern water system in your house, wherever situated you can have running water throughout your residence. All the drudgery and inconvenience in carrying water forever avoided in fitting one of our systems. Send for circular.

PUT IN FOR HARBOR.
Tug Islander, towing the new tug sch. Protea from Liverpool to St. John put into Yarmouth Friday evening for coal and water. The tug left Liverpool with her tow on Sunday and arrived in Shelburne that night. She proceeded the following morning, but owing to heavy weather was obliged to put into Cape Negro, where she remained until Thursday morning. The Protea is a handsome new schooner just fresh from the ways and will load in St. John for South Africa. Capt. Hayden, of Hunt's Point, N.S., is master of the Protea.

DISABLED STEAMERS.
A large wooden steamer, the W. Mohawk, arrived at St. John's on Sunday night, Nov. 24, to have repairs effected to her engine. She was 18 days out from Quebec and called at Sydney on the way down. She is bound to England with a cargo of pig iron. The steamer Canadier also arrived there the same day to have repairs effected to her engines which were put out of order in a recent gale which she experienced. The Canadier is bound from St. John, N.B., to England, with a cargo of grain.

THE COUNTY COURT.
No sitting of the County Court was held yesterday. It will resume the sitting this morning at ten o'clock, when all jurors are expected to be in attendance.

THOUGHT IT WAS A BOIL.
Doctor Said Abscess.
Mr. Gleason R. Young, Kingscroft, N. B., under date of Feb. 5th, 1916, writes us as follows:—About five months ago, a lump came on my jaw bone. I thought it was a boil, and after it had been there quite a while it began to get larger. I went to a doctor and he said it was an abscess, and since it gave me a pain for it, so I went by his directions until it leaked up, but it commenced coming again, and in about three weeks it broke itself. I thought it would get better, but it didn't. A neighbor advised me to get a bottle of Burdock Blood Bitters, so I sent and got a bottle, and by the time it was all gone, the abscess had disappeared, and now it is all better."

Burdock Blood Bitters will heal and dry up sores, ulcers, and abscesses, no matter how large or how long standing. If you have never applied it to a cut, wound, sore or ulcer, just try it and see what soothing, healing, cleansing power it possesses. It takes out itching, stinging and burning, and promotes the growth of healthy flesh. So, too, when taken internally, by its power of eliminating all impurities from the blood and making that vital fluid rich, red and pure, it cuts off the origin and source of the foul matter that goes to make boils, pimples, sores, ulcers, abscesses and the like, and at the same time the purified and enriched blood creates healthy tissue where there was formerly, perhaps, a sore.

Burdock Blood Bitters has been on the market for 40 years. Manufactured only by the T. Milburn Co., Limited, Toronto, Ont.
