# HAGYARD'S Yellow Oil

ONE FAIR TRIAL.

It is universally admitted as being the cheapest liniment ever sold, on account of its healing qualities. Thousands can testify to the wonderful cures the Yellow Oil has made. IT IS CHEAP BECAUSE IT RELIEVES PAIN INSTANTLY. Rheumatism will disappear before it like snow before the sun. From one to six bottles will cure the worst case of acute or chronic Rheumatism.

YELLOW OIL is equally good for man and beast, and never fails to cure Cuts, Sprains, Bruises, Galls, Corns, Scratches, Cracked Heels, Weak and Stiff Joints, Swelling of the Glands of the Throat, and may be used with good effect in cases of inflammation by applying externally over the part affected.

Those who have never used HAGYARD'S YELLOW OIL will do well to give it a fair trial, so that afterwards they can have some good liniment they can put their utmost confidence in; and should it not do all we say, they can return it to the party from whom they bought it and have their money refunded, as we guarantee every bottle to give satisfaction, or refund the money.

Chilblains, Scalds, Cracked Hands, Bunions, Corns, Sprains, Bruises, Sore Breasts, Sore Throat, Inflammation, Contracted Muscles, Chafes or Galls, Itch, and almost every disease flesh is heir to, will, in ninety cases out of every hundred, find relief, if not permanently cured, by the continued use of the Yellow Oil.

In recommending the YELLOW OIL, we do so with the utmost confidence, knowing the many curative qualities it contains, and the general satisfaction it has given to those who have used it. Many of the diseases above mentioned can be cured by one bottle, but might, in stubborn cases, require from one to six, and, in all cases, the directions accompanying each bottle should be strictly followed.

Many persons enquire what HAGYARD'S YELLOW OIL is made from, that it has so many valuable properties, and whether it can be taken internally in cases of Croup, Asthma, Sore Throat, &c. In reply, we have known it to be used for Croup, and it gave instant relief; also in cases of Asthma, in connection with Hagyard's Pectoral Balsam. Sore throat it cures at once, and will reduce swelling in the Throat by applying it externally. Those who have never used the YELLOW OIL ought to at once, and you will never after regret it. Price 25c. per bottle.

GENTLEMEN—Being subject at times to the very worst description of sore throat, I tried Hagyard's Yellow Oil, and it has in every case completely cured me in twenty-four hours. Previous to using it I suffered so for days that I could not even open my mouth, much less swallow anything. I recommend it to all my friends.

I can, with confidence, recommend it to any person requiring a quick cure, as I felt no pain or soreness after the first application.
