Throat Sore?

Take Peps at Once!

Tuesday, January 21, 1919.

Peps will safeguard you against more serious ailments of which "sore throat" is usually just the beginning. By keeping a box of Peps on hand, therefore, you can avoid much unnecessary suffering and needless expense.

Peps Pastilles, dissolved on the tongue, throw off a medicinal Pine vapor, which is such a powerful disinfectant that it destroys all germs and prevents the soreness spreading. At the same time the healing quality of the vapor soothes the inflamed membranes and soon brings relief.

Peps are equally beneficial for laryngitis, asthma, bronchitis, coughs and colds. All dealers or Peps Co., Toronto. 5%c. box, 3 for \$1.25.
