Bless Your Souls! My brother farmers, why pay 10 or 20 cts. for a seed catalogue, probably more varieties and all new vegetables that are really valuable, for just **NOTHING!** It may have less paint about the covers, but great Scott! we are not after paint, but seed, fresh and true to name, such as will make with a master hand its own picture all over our farms and gardens; seed I am not afraid to **WARRANT** on the cover of my catalogue. Come, my fellow farmers, and join the thousands, who for thirty years have been users of my seed: why, we were a goodly company and having pleasant times together before the great majority of the present race of seedsmen (bless the boys!) had left their nurse's arms! Send for a catalogue.
