

His Excellency on the part of that House by such of its Members as are Members of the Privy Council.

Resolved, That in the opinion of this House such of the officers and servants of this House, as the Commissioners may consider entitled from length of service or capacity, should have such reasonable addition to their salaries, as will compensate them fairly for their work for the current year, and until their cases may be considered by this House ; the House divided : and the names being called for, they were taken down, as follow :—
