

SOPH. REPS. CONT'D.

TRUDY MAAG is a first year Science student from Montreal. While in high school Trudy was president of the "Girls' Athletic Association" and in this capacity she served on the Student's Council as an associate advisor. She was also co-editor for sports on the school paper and in the yearbook. These many activities were combined with a good academic standing. Outside school she was active in guiding and the Y.

This year 'up the hill' she has been active in the Drama Society and spends her weekends skiing. I think that her former experiences and her interest in the SRC indicate that she would make a capable representative.

CARL REDSTONE came to UNB from East Florenceville. He was president of his graduating class, and a student of high academic standing. He is now a holder of a Beaverbrook scholarship.

This year he is vice-president of the freshman class, and is enrolled in his first year of Engineering. His willingness to work was amply illustrated by his work on the Residence float during the Winter Carnival.

If Carl Redstone is elected, he will represent us to the best of his ability. I am sure we could do no better than to elect Carl Redstone.

RON SMITH
A Newfoundlander by birth, he attended Upper Canada College, Toronto, for 5 years before coming to UNB last fall. Here he registered in Forestry as a freshman.

At UNB Ron is a member of the Forestry Association, Drama Society and a member of the University Contingent of the C.O.T.C.

Having a sincere interest in the work of the S.R.C. he has the intention, if elected to be a representative of the Sophomore class in every sense of the word, and to have the interests of that class in mind at all times.

Soph. Class Exec.

PRESIDENT
WILLIAM LEWIS
Bill graduated from Fredericton Teachers' College in 1949. Between that time and coming to college last fall, he taught school for three years and was six years a navigation officer with the Royal Canadian Air Force.

Enrolling as a first year Electrical Engineer, Bill took an immediate interest in student affairs and was elected president of his class.

With his wide range of experience and keen interest in student activities, Bill would make a competent and efficient Sophomore President.

CHARLES MacMILLAN
I entered UNB last fall as a Beaverbrook scholar from Fredericton High School. While at F.H.S. I gained much experience in the management of student activities as president of the Students' Council.

During the last summer I represented the students of New Brunswick in an address at the unveiling of the statue of Lord Beaverbrook in Fredericton.

While on the campus I have taken a keen interest in extra-curricular activities by aiding in staging for both "Journey's End" and "Around the World in Eighty Minutes" and by playing intramural hockey and basketball.

If elected I shall use my experience in leadership to represent the sophomore class in student activities.

DONALD ROBINSON Bus 1

JAMES ROSS
James Ross, of Hopetown Quebec graduated from Ithaca High School, Ithaca, N.Y. During his high school days he was President of the

DEVILS AT HOME Beavers Splash with Georgians

The University of New Brunswick Red Devils will host Saint Dunstan's University tomorrow night in the NB-PEI intercollegiate hockey match, 7:30 pm at the Lady Beaverbrook Rink. This will be the last scheduled game for the Devils who are at present tied for first place with Mount Allison. Both the Mounties and UNB have similar records of two wins and one loss.

Saint's rangy centre, Sandy MacDonald, will be one of the players to keep a close watch on. MacDonald scored three of his team's four goals two weeks ago when the Island squad dropped an 8-4 decision in Charlottetown to the Devils. Another player to watch will be captain and defenseman Ron Hache. Hache is a real rough player who keeps his stick elbow high and likes to play it rough.

The Red Devils need a win tomorrow night to retain their first place standing. If Mount Allison wins their final game against SDU then it will leave the Mounties and UNB tied for first. Regardless, the two top teams and it should be Mount A and UNB, will play a home and home total goals series to decide the NB-PEI representative in the Maritime Intercollegiate finals. If the standings are tied, then the team with the best goals average will have first choice of home game. The tentative dates for the playoff series between the first and second place teams are March 1 and 4.

Red Falcons Away

Having placed relatively well in the Colby College Winter Carnival ski meet last weekend, UNB's Red Falcons will attempt to better their record when they compete in the U. of Maine Winter Carnival ski meet against Harva, J. Maine, Bowden, Colby, and Bates this weekend.

Junior Class, President of the Student Council, Captain of the Track team, and a Columnist for the school newspaper. He also took part in Sea-Scouts, debating, drama, and various other school activities.

While Up the Hill James has been a Member of the Football Team as well as a member of the Wrestling Club. Among other things he is an active member of the Business Administration Club.

Also running, no write-ups received.

The University of New Brunswick senior varsity men's swim team, better known in the campus sporting circles as the Beavers, are off this weekend for Montreal to compete in the Canadian Intercollegiate Telegraphic Swimming Championships. Actual competition for the Beavers will come from the swimmers of Sir George Williams College of Montreal. The two squads will clash in a dual meet, and the times of all events will be submitted to the Canadian Amateur Swimming Association, which is sanctioning the national contest.

While Sir George and UNB are fighting it out in Montreal, the other top college swim teams in the nation will also be competing in various meets. Ultimately, depending on which squad has the best record, a national champ will be declared. Other universities in the competition are McGill, Western, University of Toronto, University of British Columbia, Saskatchewan, Manitoba, and McMaster.

The UNB aggregate which left Fredericton on Thursday evening and will return on Sunday, should be ready for their Upper-Canadian rivals. The Beavers have more than proved their competence in Maritime swim circles. For the past eleven years Coach J. L. "Amby" Legere and his boys have completely dominated the tri-province pool competitions. In these years UNB has won ten Intercollegiate crowns, two out of four Maritime Open Championships, and eight diving championships. In addition the Beavers now hold a total of eight of the twelve Maritime Intercollegiate records.

Swimming is the only varsity sport "Up the Hill" to earn national recognition. In 1957 the Beavers placed four men on the All-Canadian team, a record which compared favourably with

those of UBC, Western, McGill, and Toronto.

When the final marks were in last year, the results showed UNB had gained a fourth place in the 400-yard free style relay with its team of Tom Stephenson, Jeff Starr, Brian Arthur, and Dave Sanger. Starr, who was captain of the team in '57, placed fifth in the 100-yard free style race, while Dave Sanger, this year's captain and a Maritime record

holder, gained a fourth in the 220-yard free style.

Members of the University making the journey to Montreal are: Brian Arthur, Wayne Barry, Albert Bene, Roger Cattley, Ron Day, Dave Graham, Joe Karwick, Mike Kingsmill, Errol MacKenzie, Barry Miller, Doug Paton, Dave Sanger, Jeff Starr, Tom Stephenson, Rick Thompson, and Barry Yoell. Manager of the squad is Ron Pearsall.

Red Men Host Hawks

The University of New Brunswick Senior Basketball squad, the Red Raiders, play host this weekend to the Mount Allison Mounties in a game scheduled for 3 pm tomorrow (Saturday, Feb 22) at the Lady Beaverbrook Gymnasium. In the preliminary set for 1:30 pm, the UNB Junior Varsity basketball squad will meet the Simonds' Regional High contingent.

The Raiders lineup will be lacking Bob Wightman, who is suffering from an injury sustained in last weekend's tilt, and Ron Manzer, who will be executing his debating powers, as well as defending the honour of UNB, at the McGill Winter Carnival this weekend. However, Bob Porter, who has been out of action due to an injury sustained earlier in the season, will be in the lineup for tomorrow's game. The Raiders are going into the game with the intention of walking away with the coveted NB-PEI Senior Basketball Championship.
