97.9 FM

CHSR fm

	Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
7:00		Daybreak with Cam Gregg Old rock 'n roll, techno pop, jazz and even some yuppy music. Always one big surprise!		Morning with Ann McDevitt Find out how the DJ felt the week's music can range from electro-pop to grey	Morning Coma Show Sick demented gnomes and friendly lemmings listen and love it. A show that leaves you feeling "sturbin".	Daybreak with Linda Goleniac A tasteful blend of light jazz and rock will get you ready for everyone's favourite day.	
9:00	NEWS	NEWS	NEWS	NEWS	NEWS	NEWS	NEWS
	Student Profile An informative news and music show for our Chinese speaking community.	Wakeup with Lindsay Babstock New stuff to help you become out of bed on those chilly mornings instead of staying snuggled with teddy.	The Best of [unclear] Classical music from the past century.	Longest Lunch with Brent Curtis A show of great music to rid you of the mid-week blahs. Start off with the week's second half with famous and infamous tunes. A guaranteed good time.	Blinking Underground with Robert Gauvin If you enjoy good, yet unestablished artists tune in where the skies are dark and the music is unknown.	Friday on my Mind with Lori Errington Lots of Canadian tunes with a special soft spot for 50's and 60's rock. Requests more than welcome.	Theme and Variation with John Kirkley Traditional classical music, renaissance, modern, with features on composers & musicians. Interviews also.
11:00		Stuff with Mike Tucker Well it's a little of this and that sprinkled generously with a mixture of other things.	Unleashed Power with [unclear] A show of great music from the past century.		I Can't Remember with Steve Dunnett The show that only tells the truth. "I think?" and helps you make it through lunch safely.	In Control with Marty Avery Making sure you don't lose your cool too early in the day. Informative entertainment.	Student Profile Mandarin Chinese Magazine
11:30	Sunday Brunch in the Park with Alex Designed to help you appreciate Sundays more. Great studying music. Always different and close to being the same.						European Profile What's what over the sea.
12:00							Caribbean Profile with Bill Stewart Calypso, reggae, soca and the danceworthy sounds of the islands.
12:30	NEWS	NEWS	NEWS	NEWS	NEWS	NEWS	NEWS
1:00		From the [unclear] with [unclear] Contemporary music featuring a variety of styles and genres.	Something With [unclear] with Lindsay Babstock Music - new and old, fast and slow, up and down and occasionally a great literary work or quote.	[unclear] (taped show) with [unclear]	Rapid Request Rodeo with Mike Grantner Yeah! Music for the people...by the people. Better than clipping your toenails. Impossible? ...uh uh!	Poetry with Mike Friesen "In Xanadu did Kubla Kahn" - In CHSR does have a stately literary 1/2 hour decree.	
1:30	Searchlight Half an hour of light spiritual rock.					Barley Road with Richard Thornley Various music from 'the underground' from hardcore to rock 'n roll. Inconsistent but adventurous.	
2:00	Open Heartland with Bryan Bance Folk music: all forms and traditions from medieval to 60's protests to the current acoustic revival music.						Presence with Mick Lord A show whose mere presence has been known to cause hockey games.
3:00		R & B Skeleton with Deborah Burpe Black music show featuring sounds with funk, R & B, funk, rap & hip hop. Together groovy.	I Think I Got The Blue! with Scott Dunham Blues and the effluvia it has had on other contemporary black styles: soul, r&b, jazz. Special.	[unclear] with Paul Bance Inspiring the imagination from the wide world of [unclear] center evening.	Jazz with Paul Bance Hip to cool. You'll ask yourself "How did he do that?" masked saxophonist. Maybe not but you'll enjoy it.	Kaleidoscope with John Kayworth An optical instrument with ever changing patterns of color. 2. 4. 6. 8. 10. 12. 14. 16. 18. 20. 22. 24. 26. 28. 30. 32. 34. 36. 38. 40. 42. 44. 46. 48. 50. 52. 54. 56. 58. 60. 62. 64. 66. 68. 70. 72. 74. 76. 78. 80. 82. 84. 86. 88. 90. 92. 94. 96. 98. 100. Three everchanging hours of music.	Pink Ventures with Jeff Bamford Join Jeff each week as he voyages thru late afternoon into twilight. Music, talk and top 10 lists.
4:00							
4:30	Africana with Innocent Music from all over the continent of Africa and by artists of African ancestry. With tidbits from Africa.						
5:00		The Fabulous [unclear] Show with [unclear] "Where's my assignment po?" Ever said that? Tune in and get the theory. Everyone strives - Hardcore!	New Vision with Thomas Paul Music that changes your whole perspective of the world when you're not thinking of one.	Science Informative and habit forming. News, sports and meteorological madness for the atmospherically aware.	Friday Drive at Five with The Capt. Either by land, sea, or sky... the captain makes sure you get to your Hamburger Helper while its warm.		
5:30	NEWS	NEWS	NEWS	NEWS	NEWS	NEWS	NEWS
6:00	Nothing in Particular with Paul & Vicky Music? Music you bet your sweet bippy! The same kind of music we played last week... only different! An oasis in the oasis.	From the [unclear] Perspective Current affairs journal.	North Atlantic (3 min)	Science Journal Facts and figures from various studies.	Cambridge Forum (30 min) Current affairs journal.	Happenings! What's going on in Production.	The Crazy Train with Dave Sumner Run for the hills. Three hours of metallic inquisition and sweat-inducing leather-bound madness. Ticket please.
6:15	J.N. Perspective (15 min)						
6:30		Paroade with Kwame Dawes A literary treasure of poetry and prose with a local flavour and exotic texture.	Vintage Vinyl with Ray V Classic tracks that will keep you rocking early evenings. You'll hear all your old favourites and more.	Essential Vinyl with James Hamilton An overview of the darker side of the alternative spectrum. Industrial, power electronics, deathrock & mesique concrete.	Buokaroo Holiday with Matthew MacKay This is the kind of country music Buck Owens would listen to if he was cool. Everything from Earl to Garcia.	Friday Tea Time with [unclear] Thumpy sounds of specialty dances, music, make your glands active and your sinuses free of [unclear].	
7:00							
7:30	The Smooth Herman Show with Hutch & Jon Jazz and R & B from the great masters to the current stars. Your plants will thank you for tuning in.	Storm Warning with Mr. Nick You want soothing sounds for senior citizens? You've come to the wrong place. Always the threat of a student union meeting.	Ones of Gray with Michele Too many styles to pin down with just one word, who listens to only one style of music anyway? Broaden your mind.	New Stuff with Stevie Secord Featuring the latest releases. The good, bad and ugly recordings are sorted out. Comments from callers accepted.	What It Is with Cal Rifkin & 'Be Al' Hale 9 out of 10 podiatrists recommend "What it is" for aching feet. Up beat neat-o keen musical comedy & giveaways! Alternate Perspectives with Rick Galtner If you think all your favourite music is commercial in 1983, tune in and hear all your old favourites.	Dark Side Cafe with Mark Horribly misshapen mutants crawl out of their dark corners to listen to the good innocent music player.	The Wild Frontier with Dave King Christian rock with music reviews, info, concert dates. New releases and artists are featured.
8:00							Bionic Turpin Show with Ian Whitehead The best cyborg vegetable in Freddy Beach helps you unwind & rewind w. music & more music
8:30							
9:00		Metal with Sharon Barwell Classic and contemporary heaviness with that special music tingling touch. Watch out! Sharp edges.	The Electric Pentagon Show with Rick & Winston Exploring needs of life in a new, exciting manner, are you into your inner cocoon with disturbing I.D. or EGO.	Ideal of Living with [unclear] [unclear] music for the [unclear] soul.		Islands Companion with [unclear] Take a few too many caffeine pills? Write that thesis? Calm down and listen to neat-o stuff.	Extended Play Evening with Sleepy Dwarfs As long as you happen to be awake why not stay that way for 9 hours of fun and frolic.
11:00	Journey's End with Dag Rutherford The week's beginning has ended and for some classes are mere hours away - rejoice (heh).
